RESPONDENT: MARISSA COSTELLO

NATURE OF PROCEEDINGS: REQUEST FOR ORDER – VISITATION

RULING

This matter is before the Court on Petitioner/Father's June 1, 2026, Request for Order (RFO) for a modification of visitation regarding the parties' daughter Sailor (DOB: 07/14/2015). Respondent/Mother filed a response on June 25, 2026.

Judgment was entered in this matter December 14, 2020, with the parties entering into a marital settlement agreement.

Procedural History

The parties previously had custody and visitation orders issued on March 28, 2023, that included (1) maintaining joint legal and physical custody, (2) a 2/2/3 schedule, (3) a holiday schedule, and (4) orders regarding vacation time and any camping trips.

On April 18, 2026, the parties entered into a stipulated child custody and visitation agreement. The parties' followed a rotating 2-2-3 schedule where Sailor is with parent A from Monday morning to Wednesday morning, Parent B from Wednesday morning to Friday morning, Parent A Friday morning to Monday morning, Parent B from Monday morning to Wednesday morning, and so on, with pick up and drop off to happen at the child's school or curbside at the receiving parent's home on non-school days. The parties also stipulated to a holiday and vacation agreements and other agreements surrounding communication and visits with Mother and Father's family.

Father requests to maintain the 2/2/3 schedule and also requests that (1) exchanges happen at his home with Mother providing the transportation, and (2) Mother drop off Sailor at his home when his custodial time begins and pick her up at his home on Mondays when Mother's custodial time resumes. Father states that his new job and schedule requires him to drop off Sailor in the morning at 7 a.m. and pick her up at 4:45 p.m. on his custodial days. Father also requests that he

not be blocked from taking Sailor on hiking or camping trips in the wilderness or river rafting. And Father seeks greater flexibility on providing notice to Mother when planning trips within Marin County. Finally, Father seeks the Court's assistance in underscoring that both parents are to engage in peaceful communication in front of Sailor.

In her response, considering Father's work schedule, Mother requests Sailor be dropped off at Mother's home at 7:00 AM when his custodial time ends and pick up Sailor from Mother's home at 4:45 when his custodial time begins. She also requests that any proposed amendments to item numbers 9 and 1 of 0 the April 18, 2026, stipulation be denied. Items 9 and 10 of the stipulation state that either parent traveling with Sailor overnight shall provide the other parent, 5 days prior to the departure, with the dates, itineraries and accommodation information including flight information, addresses, hotels/AirBnbs/campground names and reserved site numbers, as well as any contact information of host (if staying with family/friends).

Status of Marin Family Court Services

On July 7, 2026, Family Court Services (FCS) sent out a notice that the FCS intake forms had not been completed. On July 8, 2026, Father submitted an FCS intake sheet, but it does not appear that an FCS appointment was made and there is no current FCS report.

The matter is continued to August 27, 2026, at 9:00 am. Parties are referred to Family Court Services for mediation, counseling and recommendations.

Parties must comply with Marin County Superior Court Local Rules, Rule 7.12(B), (C), which provide that if a party wants to present oral argument, the party must contact the Court at (415) 444-7046 and all opposing parties by 4:00 p.m. the court day preceding the scheduled hearing. Notice may be by telephone or in person to all other parties that argument is being requested (i.e., it is not necessary to speak with counsel or parties directly.) Unless the Court and all parties have been notified of a request to present oral argument, no oral argument will be permitted except by order of the Court. In the event no party requests oral argument in accordance with Rule 7.12(C), the tentative ruling shall become the order of the court.

IT IS ORDERED that evidentiary hearings shall be in-person in Department B. For routine appearances, the parties may access Department B for video conference via a link on the court website. Litigants in the virtual courtroom are required to leave the video screen on and wait for your case to be called.

FURTHER ORDERED that the parties are responsible for ensuring that they have a good connection and that they are available for the hearing. If the connection is inadequate, the Court may proceed with the hearing in the party's absence.

NATURE OF PROCEEDINGS: REQUEST FOR ORDER – VISITATION

RULING

Procedural History

This matter is before the Court on Petitioner/Mother's June 1, 2026, Request for Order (RFO) for a modification to visitation and orders (1) defining Winter Break, (2) establishing a summer schedule, and (3) clarification of travel to Chile, relating to the parties' son, Franco (DOB: 11/23/2017). Per a stipulation and agreement that the parties entered into that was filed on April 2, 2025, the parties have joint legal and joint physical custody of Franco on a 2/2/5 schedule.

Mother requests that the Court define the duration of the Winter Break as the full two weeks, divided in half, with the parents alternating who has the first and second weeks. Mother seeks a week on/off summer parenting schedule, with up to 18 consecutive days for travel as noticed prior to March 15 each year, and seeks affirmation of their May 27, 2022, Judgment and their September 11, 2024, Mediated Custody Agreement, both of which state travel to Chile may occur during the Summer Break.

In his June 25, 2026, Responsive Declaration, Father requests out-of-state or international travel be allowed during either parent's custodial time, with 30 days written notice for international travel, including dates, destination, flight information, and contact information during the trip.

Father further seeks an order that he hold Franco's passport, with release to Mother for confirmed international travel plans 20 days prior to her departure along with a Notarized Travel Authorization. Father proposes the parties alternate the entire Winter break, with international travel permitted during that period. Father agrees to a week on/off summer schedule but requests up to 30 days vacation for each parent, including international travel, with proposed vacation date due by April 15.

Finally, Father identifies a series of specific requests. First, Father requests permission to travel to Chile over the 2026 Thanksgiving break. Second, Father seeks \$412 in reimbursement from

Mother for lost travel expenses from December 2025. Third, Father seeks \$4,250 in attorney fees incurred, caused by Mother's refusal to sign Consent to Travel forms.

Both parties were interviewed together by Family Court Services (FCS), and FCS issued its report with the Court on July 6, 2026. The parties reached several agreements which are memorialized in the Report together with a set of recommendations as to disputed issues.

On July 9, 2026, Father submitted a statement of agreement/disagreement agreeing with the recommendations, which extends each party's summer vacation time to 21 days. Father requests that the Court order that Father hold Franco's passport and that he be reimbursed \$412.67 in lost travel expenses for a missed Christmas trip in 2025.

On July 10, 2026, Mother filed a statement of agreement/disagreement. Mother disagrees with the FCS recommendations, specifically recommendations # 1, 2, 3 and 6. Mother points out that the parties' prior orders were for 18 days, and Mother argues that Father's request to extend the length of the summer vacation is beyond the scope of her requests, which were simply for clarification. Mother requests that a deadline be established for the second parent to select their summer vacation dates, one week after the first parents has made their selection.

Parenting plan and conditions

The Court has reviewed the submissions of the parties together with the custody report and recommendations prepared by FCS. Based on the information before the court, the Court finds good cause and that it is in the best interest of the minor child, Franco (DOB: 11/23/2017), to adopt the agreements and recommendations from FCS, as set forth in its report issued on July 9, 2026, as modified by the Court, as follows:

Agreements

1. Winter Break: shall be divided in half. Day 1 of the Winter Break is defined as the first full day after school lets out in December and the last day of Winter Break is defined as the last full day before school resumes in January. The transition day shall be on the day that is midpoint between the first and last day of Winter Break. Unless otherwise agreed to between the parents, exchanges shall occur at noon. In even-numbered years, Mother shall have the first half of the Winter Break (the week in which Christmas lands) while Father has the second half (the week in which New Year's lands). In odd numbered years, Father shall have the first half of the Winter Break while Mother has the second half.
2. Summers: Parents shall each have a set vacation block with Franco each summer. The length of this vacation block shall be determined by the Court. All other remaining weeks in the summer that are not vacation blocks shall be alternated between the parents (week on/week off schedule). Parents shall pick their vacation block by April 1 of each year. Mother shall have first choice of vacation dates in odd years while Father shall have first choice in even years.

3. For international travel, the traveling parent shall provide at least 30 days advance written notice of the intent to travel internationally (or the first possible date if travel is under exigent circumstances) to the nontraveling parent. The notice shall include a written itinerary and the Travel Authorization Form. The itinerary shall include the dates of travel, the destination(s), flight information, and a contact number where Franco can be reached while traveling. The nontraveling parent shall deliver the notarized Travel Authorization Form to the traveling parent no less than 20 days in advance of travel or no later than 72 hours prior to departure for exigent travel.

4. Exchanges: All exchanges of Franco shall occur at school whenever possible. For any face-to-face exchanges required when school is not in session, exchanges shall be peaceful and cordial. Both parents shall remain in their vehicles during the exchange which shall occur in front of the San Anselmo Public Library.

Parenting Plan

All prior orders not in conflict with the below shall remain in effect with the following modifications.

1. Commencing Summer 2027, each parent may have up to 21 days of vacation time with Franco each summer. Parents may agree on a longer vacation block to accommodate international travel at any time per mutual parental agreement. As agreed upon in mediation, parents shall pick their vacation dates by April 1 of each year with Mother having first choice in odd years and Father having first choice in even years. The remaining weeks of the summer that are not designated as vacation weeks shall be on an alternating week schedule.

2. Commencing Summer 2028, each parent may have up to 28 days of vacation time with Franco each summer.

3. Franco may travel with Father to Chile for the 2026 Thanksgiving Break from November 19, 2026, through November 29, 2026. Mother shall cooperate with providing the notarized Travel Authorization Form by August 1, 2026.

4. For future international travel, the notarized Travel Authorization Form shall be delivered to the traveling parent by the nontraveling parent no less than 20 days in advance of travel or no later than 72 hours prior to departure for exigent travel.

5. Neither parent shall unreasonably withhold consent to travel with Franco, particularly travel to Chile to visit family.

6. There shall be no prohibition on international travel for either parent to travel with Franco over school breaks including Spring Break, Midwinter Break (February break), Thanksgiving, Christmas, and Summer Break.

7. When parents have family visiting from Chile, there shall be no expectation that Franco shall be made available to the noncustodial parent unless otherwise agreed to between the parents. Parents are encouraged to exercise flexibility in the custody schedule when they have family visiting from Chile so that Franco can spend quality time with his extended family on both sides.

8. Parents may modify any portion of their parenting plan including the weekly timeshare, the timeshare during school breaks, summer vacation time, etc. at any time per mutual parental agreement.

Attorney's Fees

Although Father could not gain Mother's cooperation regarding travel, the parties have numerous prior agreements and Mother's decision to seek clarification and additional orders was reasonable. Father's request for fees as a sanction for Mother's refusal to agree to international travel on Father's terms is denied.

Father's attorney to prepare the Findings and Orders After Hearings.

Parties must comply with Marin County Superior Court Local Rules, Rule 7.12(B), (C), which provide that if a party wants to present oral argument, the party must contact the Court at (415) 444-7046 and all opposing parties by 4:00 p.m. the court day preceding the scheduled hearing. Notice may be by telephone or in person to all other parties that argument is being requested (i.e., it is not necessary to speak with counsel or parties directly.) Unless the Court and all parties have been notified of a request to present oral argument, no oral argument will be permitted except by order of the Court. In the event no party requests oral argument in accordance with Rule 7.12(C), the tentative ruling shall become the order of the court.

IT IS ORDERED that evidentiary hearings shall be in-person in Department B. For routine appearances, the parties may access Department B for video conference via a link on the court website. Litigants in the virtual courtroom are required to leave the video screen on and wait for your case to be called.

RULING

This matter is before the Court on Respondent/Mother's April 30, 2026, Request for Order (RFO) for a modification to for custody and visitation requesting more time with the parties' daughter, London (DOB: 02/18/2023). Petitioner /Father filed a Responsive Declaration on June 26, 2026.

On December 08, 2025, a Domestic Violence Restraining Order (DVRO) was issued in case FL000841 with Mother as the restrained party. The order will expire on July 22, 2027. The DVRO granted Father sole legal custody of London, and the parties share joint physical custody of the child. Mother only has joint legal custody as to health and medical decisions regarding the child. The visitation schedule outlined in the Findings and Order After Hearing on September 13, 2024, would remain in effect. On December 11, 2025, a DVRO was issued with Father as the restrained party. The order will expire on July 22, 2027, and had the same orders.

Mother requests joint legal and physical custody, a week on/week off parenting time schedule with exchanges every Sunday at 4:00 PM in Vallejo Police Station as well as a holiday schedule. Mother also requests child abduction prevention orders because Father moved to Sacramento.

Father requests that Mother's requests be denied, but he does agree that there are some aspects of the orders need to be clarified, one of which Mother's involvement in legal decisions as he states Mother continues to attempt to obstruct routine medical care.

Matter to be continued with referral to Marin Family Court Services

NATURE OF PROCEEDINGS: REQUEST FOR ORDER – SPOUSAL SUPPORT

RULING

Procedural History

This matter is before the Court on Petitioner/Wife April 16, 2026, Request for Order (RFO) for a change in spousal support. Respondent/ Husband filed a responsive declaration dated May 8, 2026, opposing the request for order, stating that Wife had failed to comply with Marin County Superior Court Local Rules (MCR), Family 7.13. On June 11, 2026, Wife's RFO was continued to July 16, 2026, to give Wife time to file her financial documents in compliance with MCR Fam 7.13.

On June 29, 2026, Wife filed both her Income and Expense (IED) declaration as well as her 2024 and 2025 taxes. In her IED, Wife reports the following:

- She is self-employed and made \$2,756 in wages and \$1,100 in rental income.
- She also reports having \$3,820 a month in expenses.

Wife's federal tax returns show the following:

- Wife's 2025 taxes report annual net profit from her housecleaning business, after expenses, of \$9,832, which includes \$1,601 car/truck expenses and \$912 for cellular service. These expenses, while valid expenses for tax purposes, inure to Wife's benefit and can be added back, which increases Wife's profit to \$12,345 annually, or \$1,029 per month.
- Wife's 2025 tax return also reports \$64,094 in gambling income, or \$5,341 per month.

On May 8, 2026, Husband filed both his Income and Expense (IED) declaration as well as his 2024 and 2025 taxes. Along with his IED, Husband submitted pay stubs for his jobs.

Husband's works a total of 70 hours/week at two jobs; at the Good Earth and at Marinwood Markets. Husband's income from Good Earth, based on his 3 pay stubs, is \$5,382 a month. His income from Marinwood Market, based on his 3 pay stubs, is \$3,987 a month,

for a total income of \$9,369 per month. He reports \$6,693 in monthly expenses, including \$274 for health insurance and \$270 for his 401K contribution.

This is a post-judgment request; the Judgment “reserved” on spousal support. No amount was set for spousal support and there is therefore no amount to modify; instead, the parties “reserved” the ability to set an initial spousal support order. No change of circumstances is required.

Analysis under Family Code §4320

In addressing a post-judgment request for spousal support, the Court must consider the factors outlined in Family Code §4320.

1. *The extent of earning capacity to maintain the standard of living established during the marriage.*

Husband works two jobs, an average of 70 hours a week, to support his new wife and children who are in Mexico.

Wife has been working as a house cleaner since 2000 and despite her health issue in 2025, she had income from house cleaning and from gambling in both 2024 and 2025. Wife has been able to maintain her standard of living since the date of separation 9 years ago.

2. *The extent to which the supported party contributed to the supporting party's education, training, and career path.*

Not applicable

3. *Supporting party's ability to pay.*

If the Court were to order support, Husband does have the ability to pay some support.

4. *Each party's needs based on the standard of living.*

Based on Wife's Income and Expense Declaration, Wife earns more than enough income to cover her monthly expenses.

5. *Obligations and Assets.*

Husband reports that he supports his new wife, 2 children, and his parents.

Wife reports that in 2025 she had less work due to doctors' appointments and follow ups after her heart attack in 2025, which caused her to fall behind on her bills.

6. *Duration of the marriage.*

Marriage lasted 9 years and 10 months. The parties were married on 8/10/2007 and separated on 6/6/2007. The Court could view this as a long-term marriage. The parties' divorce was finalized on 04/14/2026.

7. *The supporting party's ability to be gainfully employed without interfering with the interests of the dependent children.*

There are no children of this relationship.

8. *Each party's age and health.*

Wife is 61 and in July of 2025 she suffered a heart attack which resulted in her needing to have surgery.

Husband is 47 and in good health.

9. *History of domestic violence.*

There is no history of domestic violence

10. *Immediate and specific tax consequences to each party.*

None

11. *Balance of hardships.*

The parties have been separated for over 9 years and Wife has maintained her standard of living on her own. Wife's financial information shows she earns double what she needs to meet her expenses. Ordering Husband to pay spousal support could possibly create a hardship for Husband.

12. *Criminal convictions.*

The court is unaware of any criminal convictions for abusing a spouse.

13. *Any other relevant factors.*

Based on the information provided to the Court, Wife does not present a need to meet her monthly living expenses that would create a need to order Husband to pay spousal support.

Based on an analysis of the above factors, Wife has not demonstrated a need for spousal support. Accordingly, Wife's request for spousal support is DENIED.

As authorized by CRC Rule 5.125, the Court shall prepare the formal Findings and Order After Hearing.

Parties must comply with Marin County Superior Court Local Rules, Rule 7.12(B), (C), which provide that if a party wants to present oral argument, the party must contact the Court at (415) 444-7046 and all opposing parties by 4:00 p.m. the court day preceding the scheduled hearing. Notice may be by telephone or in person to all other parties that argument is being requested (i.e., it is not necessary to speak with counsel or parties directly.) Unless the Court and all parties have been notified of a request to present oral argument, no oral argument will be permitted except by order of the Court. In the event no party requests oral argument in accordance with Rule 7.12(C), the tentative ruling shall become the order of the court.

IT IS ORDERED that evidentiary hearings shall be in-person in Department B. For routine appearances, the parties may access Department B for video conference via a link on the court website. Litigants in the virtual courtroom are required to leave the video screen on and wait for your case to be called.

FURTHER ORDERED that the parties are responsible for ensuring that they have a good connection and that they are available for the hearing. If the connection is inadequate, the Court may proceed with the hearing in the party's absence.
