County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: Despite the Court’s grant of a continuance at Petitioner’s request at the time of the last hearing, Petitioner has apparently failed to cure the procedural deficiencies with regard to service of the petition herein. Specifically, proof of service of the petition fails to demonstrate compliance with the service requirements of Civ. Code § 798.61(c). In addition, the address contained on the proof of service for the petition as to Respondents Gerrard and Wilhelm appears to be incomplete, as no space number is indicated.
