Case Number: 26CHCV02069 Hearing Date: July 31, 2026 Dept: F46

The Court, sitting as the designated coverage judge for Department F49 during the assigned judicial officer's absence, has reviewed and considered the Ex Parte Application, the written opposition, and the court file. The undersigned judicial officer has been assigned by the Supervising Judge to hear and determine emergency matters for the assigned department during the assigned judicial officer's absence.

Pursuant to Code of Civil Procedure section 166(a), the Court determines that oral argument is unnecessary and rules on the Ex Parte Application without hearing.

Ex parte relief is an extraordinary remedy and is reserved for circumstances demonstrating irreparable harm, immediate danger, or another statutory basis requiring immediate judicial intervention. (Cal. Rules of Court, rule 3.1202(c).) The Court finds that the moving party has not made the requisite showing warranting immediate ex parte relief. Although the moving party contends that the presently scheduled hearing dates for the underlying motions are inconsistent with the expedited nature of the proceedings, the record does not establish irreparable harm or immediate danger requiring the immediate relief requested. The Court further finds that the delay in hearing the motions appears attributable to court calendar availability rather than any lack of diligence by either party.

Nevertheless, in the interest of promoting the efficient administration of justice while preserving the parties' due process rights, the Court finds good cause to grant limited relief by issuing an Order Shortening Time.

IT IS ORDERED:

1. The Ex Parte Application is GRANTED IN PART solely for the purpose of issuing an Order Shortening Time.
2. The underlying motions identified in the Ex Parte Application are ordered advanced. The Clerk of the assigned department is directed to vacate the presently scheduled hearing dates and to calendar the motions for hearing on August 18, 2026, at 8:30 a.m. The motions shall be heard together.
3. The opposition papers previously filed shall stand as the opposition to the advanced hearing date.
4. Pursuant to Code of Civil Procedure section 1005(b), the moving party may file and serve reply papers. Any reply shall be filed and served no later than August 11, 2026.

5. Except as expressly modified by this Order Shortening Time, all previously filed motion papers shall remain in effect. No supplemental briefing shall be filed absent further order of the Court.

6. In all other respects, the Ex Parte Application is DENIED.

7. The moving party shall give immediate notice of this Order and shall file a proof of service.
