GUARDIANSHIP OF KURTIS GRANDELL, III

CASE NUMBER: 23PG-0032118

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Termination of Guardianship filed by the mother, Tiffany Darcy. Proof of service has been filed for the father. The matter has been properly noticed. No objections have been raised. The Court has reviewed the Court Investigator's report filed on June 23, 2026, which raises concerns and recommends appointing counsel for the minor. Consequently, this matter is also on calendar for confirmation of counsel. At the last hearing, Jacob Levin was appointed as counsel for the minor. **An appearance is necessary on today's calendar to confirm appointment of counsel and setting for an evidentiary hearing.**

GUARDIANSHIP OF WYLDE & BROOKLYNN JONES

CASE NUMBER: CVPG21-0031301

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Termination of Guardianship filed by the father, Robert Jones. A new Notice of Hearing has not been filed and served for today's date. There is no proof of service of the Notice of Hearing and Petition for the mother, maternal grandfather, paternal grandfather, and siblings. The Court has reviewed the Court Investigator's report filed on June 22, 2026, which recommends the Court deny the Petition. Considering Petitioner's failure to file and serve the documents necessary to move forward, the Petition is **DENIED** without prejudice. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF ISRAEL JONES

CASE NUMBER: 25PG-0033053

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition to Remove Guardian and Petition for Appointment of a Successor Guardian of the Person. The Petitions were filed by the minor's uncle, Jack Thomas. Letters of Temporary Guardianship were not requested. The current Guardian is Emily Wilder.

Petition to Remove Guardian. The Court dispenses with notice to the deceased mother, father, and unknown paternal grandparents. There is no proof of service of the Notice of Hearing and Petition for the guardian, minor, maternal grandparents, and siblings. Considering the consents and waiver of notice to Petitioner's appointment as guardian as stated below, the Court will find all parties to have notice. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order.

Petition to Appoint Successor Guardian. The guardian, minor, maternal grandparents, and siblings have consented to the guardianship and waived notice. The Court dispenses with notice to the deceased mother, father, and unknown paternal grandparents. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Indian Child Inquiry Attachment indicates the minor is not an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed the Court Investigator's report filed on July 28, 2026, which recommends the Court stay the Petition to allow additional time for Petitioner to obtain appropriate housing. The matter is continued to **Monday, October 5, 2026, at 8:30 a.m. in Department 42** for further proceedings on both Petitions. **Notice is preserved. No appearance is necessary on today's calendar.**

GUARDIANSHIP OF LILYANNA & LOYALTY LAKE

CASE NUMBER: 26PG-0033332

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons filed by the minors' non-relative caregivers Kevin Arias and Syan Joiner and status of service of the Petition.

A valid proof of service for each minor's father has still not been served and insufficient information has been provided to permit the Court to dispense with notice. An objection has been filed by the Yurok Tribe. At the last hearing, the Court vacated the temporary orders and ordered the minor children returned to the care of Ms. Angelina Nelson. The Court notes a competing petition has not been filed by Ms. Nelson. Considering Petitioners' failure to file and serve the documents necessary to move forward, the Petition is **DENIED** without prejudice.

In light of the allegations stated in the Petition and investigation report, the Court will refer this matter to Children's Services. The matter is continued to **Monday, August 31, 2026, at 8:30 a.m. in Department 42** for status of referral to Children's Services. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF MAKAYLA LINDSTROM

CASE NUMBER: 22PG-0031565

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition to Remove Guardians and Petition for Appointment of Successor Guardian of the Person. The Petitions were filed by the minor's non-relative caregiver, Caroline Santo. Letters of Temporary Guardianship were requested but denied pending hearing. The current guardians are Ellen Fulkerson and Norman Turner.

Petition to Remove Guardians. A new Notice of Hearing has been filed and served for today's date. Proof of service has been filed for the guardians, minor, father, and paternal grandmother. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order.

Petition for Successor Guardian. The guardian, Ellen Fulkerson, has consented to the guardianship and waived notice. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Indian Child Inquiry Attachment indicates the minor is not an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Children's Services report filed on May 22, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship continues to be in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable. The Court **GRANTS** both Petitions. Visitation shall be at the Guardian's discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. The Court reminds the Guardian she is responsible for maintaining a current address on file with the Court at all times.

This matter is also on calendar for further proceedings on the Annual Review and Order to Show Cause issued to the Guardians for failure to file a Confidential Guardianship Status Report and failure to appear on March 23, 2026. The Order to Show Cause issued to the guardians is **VACATED** and the clerk is directed to mail the Confidential Guardianship Status Report to Ms. Santos. The matter is continued to **Monday, October 12, 2026, at 8:20 a.m. in Department 42** for further proceedings on the Annual Review. A completed Confidential Guardianship Status Report (GC-251) must be submitted prior to the hearing on the Annual Review pursuant to Probate Code § 1513.2. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF KIARA LIRA-WILSON

CASE NUMBER: CVPG21-0030977

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for status of a report from Children's Services. At the last hearing, the matter was referred to Children's Services due to concerns raised in the Confidential Guardianship Status Report. The Court has reviewed the memorandum from Children's Services filed on July 29, 2026, which states that the agency does not have any safety concerns for the child in the care of her father. **An appearance is necessary on today's calendar to discuss termination of guardianship.**

GUARDIANSHIP OF MARCUS MITCHELL

CASE NUMBER: 26PG-0033367

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's great grandmother, Emily Knight. Letters of Temporary Guardianship were requested but denied pending hearing.

Proof of service for the minor and father has been filed, however it is defective. A new Notice of Hearing has not been filed for today's date, therefore the Court must assume that notice for the previous hearing was untimely provided. Considering that both the minor and father have personally appeared at hearings on this matter, the Court will find them to have sufficient notice. ICWA notification has been properly given, and no tribe has requested to intervene in this matter. The matter has been properly noticed. The Court has reviewed the Court Investigator's report filed on May 26, 2026, which recommends granting the Petition. The minor previously appeared and stated his objection to the Petition. Consequently, Counsel Kristin Anderson was appointed as counsel for the minor. **An appearance is necessary on today's calendar to confirm appointment and set a contested hearing.**

GUARDIANSHIP OF JACOB PELTON-HERNANDEZ

CASE NUMBER: 26PG-0033408

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's non-relative caregivers, Christian and Heather Data. Letters of Temporary Guardianship issued on May 29, 2026, and are set to expire today unless further extended.

The Court dispenses with notice to the paternal grandfather. There is no valid proof of service of the Notice of Hearing and Petition for the father or paternal grandmother. The proofs of service for the father filed on July 7, 2026, and July 10, 2026, fail to indicate a copy of the Notice of Hearing was served. Considering father has filed an objection, the Court will find him to have sufficient notice of the proceedings. The Court notes a proof of service was filed on July 6, 2026, however it does not state who was served and fails to indicate a copy of the Petition was provided.

The paternal grandmother may be served by mail. Prob. Code § 1511(c). Alternatively, the paternal grandmother can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served.

The Court has reviewed the Children's Services report filed on June 22, 2026, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioners have reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The mother and father previously filed an objection. In light of the objections, the Court will appoint private counsel to represent the minor pursuant to Prob. Code § 1470. This matter is continued to **Monday, August 31, 2026, at 8:30 a.m. in Department 42** for further proceedings on the Petition and confirmation of counsel. The Temporary Guardianship is **ORDERED** to remain in effect until the continued hearing date. Petitioners are required to file and serve a new Notice of Hearing for the continued hearing date, along with a copy of the Petition, on the paternal grandmother. In the alternative, if Petitioners cannot serve the paternal grandmother, the Court will require a declaration explaining in detail all efforts of Petitioners to locate and serve her and why she cannot be served, to permit the Court to dispense with notice. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**
