Tentative Ruling

Re: **Covarrubio v. City of Fresno**
Superior Court Case No. 26CECG00277

Hearing Date: September 15, 2026 (Dept. 403)

Motion: Petition to Compromise Minor's Claim

Tentative Ruling:

To deny without prejudice. In the event that oral argument is requested minor is excused from appearing.

Explanation:

Petition submitted by Petitioner seeks approval for the compromise of minor claimant's claim resulting from a motor vehicle accident. The Petition has one outstanding issue.

The one issue is whether Blue Shield might put a lien on minor's settlement. Petitioner's declaration does not confirm for the court there is no potential for Blue Shield to seek a lien. The declaration does not indicate whether Blue Shield has been informed of the settlement, when Blue Shield was informed, or any other information that would give indication that Blue Shield has no intention of seeking a lien on the case.

Pursuant to California Rules of Court, Rule 3.1312 and Code of Civil Procedure section 1019.5, subdivision (a), no further written order is necessary. The minute order adopting this tentative ruling will serve as the order of the court and service by the clerk will constitute notice of the order.
