ORDER RE:

PLAINTIFF'S MOTION

FOR MONETARY SANCTIONS AGAINST DEFENDANT SANTA BARBARA FISH MARKET, INC. AND
ITS COUNSEL FOR FAILURE TO APPEAR AT DEPOSITION

The motion for sanctions brought
by Plaintiff The Chemical Toxin
Working Group Inc. dba Healthy Living Foundation Inc. ("HLF") against Defendant
Santa Barbara Fish Market, Inc.'s ("SB") is continued
as set forth below.

SB interposed 11 evidentiary objections. Due to the significant
number of objections, the hearing on the motions will be continued to a date
that will be set at the Hearing on Objections discussed below.

The Court orders the parties to meet and confer by
telephone or in person in a serious and good faith effort to resolve and
eliminate the objections for their respective motions. The only objections that
should remain are those that pertain to material evidence
regarding material issues. Keeping the rules of evidence in mind,
the parties should be able to reduce the objections to just a few. If any material
objections remain unresolved, the parties are to set them forth in a joint
statement with the text, the objection, and the argument of each side in favor
of their respective positions regarding the remaining material objections,
along with a space for a ruling.

The joint statement must be filed on or before _____ with a courtesy copy
delivered to Department 508. The Court will review any remaining
objections with the parties at a hearing on _____, 2026 at 10:00 a.m.
(the "Hearing on Objections"). The date for the hearing on the motion will be
set at the Hearing on Objections.

If necessary, based upon the resolutions reached during the
meet and confer process and/or at the Hearing on Objections, the parties may

respectively file and serve revised briefing and evidence. The revised evidence may eliminate objectionable material; however, no new evidence or new argument is to be submitted unless it is as a result of compromises reached during the meet and confer process. In the event that revised briefing and evidence are necessary, the Court will discuss with the parties a briefing schedule for the revised briefing at the Hearing on Objections.

SB is ordered to give notice of this
Order.
