				<i>\$329,612.21. The only Inventory and Appraisal in this case was filed on February 13, 2026 showing an estate value of \$341,653.76. Clarification is needed. Additionally, the list of assets in paragraph 15 does not include the Traditional IRA Common Avantis International shares valued at \$49,826.75 on the Inventory and Appraisal filed February 13, 2026.</i> <i>3. Paragraph 24 of the Petition alleges that no assets were disposed of or changed in form during administration. However, the list of assets provided in paragraph 30 does not match the list of assets provided in paragraph 15, which does not match the Inventory and Appraisal on file as noted above. If assets have been sold or otherwise disposed of, compliance with California Rules of Court, rule 7.550 is needed explaining the change. This is required even when an account is waived. (Cal. Rules of Ct., rule 7.550, subd. (b)(6).)</i> <i>4. It is unclear what Exhibit A to the Petition represents as the account referenced is not specified as an asset on hand.</i> <i>5. Item 14 of the Petition indicates that after the sale of the real property, the proceeds were placed into an interest-bearing account. Item 27 of the Petition lists two accounts on hand. Clarification is needed regarding the additional account, or if the funds were split between the two accounts listed.</i> <i>3. The period that Petitioner's report covers is inaccurate. The start date of the report should be the date of death. It appears this may be an error, but clarification is needed.</i> <i>4.
