The matter is continued for petitioner to submit an updated declaration with billing statements supporting only work and fees related to the filing of the petition for instructions, time related to the submission of the minor's funds into a blocked account, and distribution of the funds to the minor. The court will not award any additional fees for preparation of a fee request petition. The remainder of the Petition is DENIED because the remaining charges did not benefit the estate, were administration tasks covered by statutory fees, or too vague for the Court determine that they qualify as extraordinary services. Petitioner is directed to file updated billing statements that include only the entries approved and a proposed order. The next hearing is December 11, 2026 at 9:00 a.m..

The unopposed requests for judicial notice are GRANTED.

At the last hearing, the court's ruling was as follows: *Petition for an Order Instructing Trustee to Distribute Funds for Proper Care, Maintenance and Support to Sally Kramer is CONTINUED to September 15, 2026 at 9:00 am for Petitioner to:*

- (1) file a verification for the Petition as required by CRC 7.103(b),*
- (2) explain why the 2022 Settlement Agreement does not override the language contained at 7.3(B)(1) of the Trust,*

Petitioner has filed nothing since that hearing so none of the defects have been cured. The petition is DENIED. The Court also notes that Sally Kramer's Reply filed on 4/16/2026 is not signed by counsel and is not verified. On its merits, the petition is unsupported by law or evidence. The Trustee is awarded reasonable attorney's fees and costs of suit to be charged against Ms. Kramer's beneficial interest in the Trusts. A declaration shall be submitted along with billing records, to be heard with Helaine Kotler's Petition for an Order Authorizing Payment of Damages, Fees and Costs remains set on December 22, 2026

Tentative Ruling:

Motion for Order: 1. Compelling Attendance and Testimony at Deposition; 2. Imposing Monetary Sanctions; and 3. Appointment of Discovery Referee at Petitioner's Cost is GRANTED-IN-PART and DENIED-IN-PART.

The request for order compelling Petitioner Zenaida T. Flores to attend and provide testimony at deposition is GRANTED.

The request for order appointing a discovery referee is DENIED.

The requests for sanctions are DENIED.

Respondents Nathan Flores and Adrian Flores' request to strike the opposition is DENIED per the Court's broad inherent authority and discretion regarding court management. Petitioner Zenaida Flores' counsel is admonished to abide by filing deadlines set forth in the CCP and CRC 3.1113(f). Failure to do so in the future will result in sanctions payable to the court and attorneys' fees if requested.

Petitioner Zenaida T. Flores' Motion for protective Order is GRANTED-IN-PART and DENIED-IN-PART.

The request that the deposition of Petitioner Zenaida T. Flores be conducted by written questions pursuant to Code of Civil Procedure section 2028.010, in lieu of oral examination is DENIED.

The deposition of Petitioner Zenaida T. Flores by oral examination is limited to no more than two (2) sessions of thirty (30) minutes each, conducted via Zoom videoconference so that Ms. Flores may remain at her Millbrae residence, with any costs attributable to the multi-session format borne by Petitioner. Any costs attributable to the multi-session format shall be borne solely by Petitioner.

Nathan Flores and Adrian Flores' request for sanctions is DENIED.

Zenaida Flores' Motion for Relief from Waiver of Objections to Requests for Admission, Set One, and Form Interrogatories, Set One, is DENIED. The Court cannot determine that the discovery response at issue is in substantial compliance with Sections 2033.210, 2033.220, and 2033.230 because no response was filed. Therefore, the motion does not satisfy the condition set forth in CCP 2033.280(a)(1).

The sanctions requested by Respondent Nathan Flores in the amount of \$3,375 are ordered to be paid by Petitioner Zenaida T. Flores to Respondent Nathan Flores within 30 days.

26-PRO-00488	IN THE MATTER OF THE FREDERICK A. FORSTER TRUST DATED JANUARY 13, 1995	TRUSTEE'S PETITION FOR INSTRUCTIONS [PROBATE CODE SECTIONS 17200 et seq]
Line 11	Petitioner: Evans, Victoria (LYTLE, BRETT S.) Decedent: Forster, Frederick A	Petition Hearing

Tentative Ruling:

APPEARANCE OPTIONAL (Zoom allowed)

The Petition for Instructions is DENIED as every request made is in contradiction to what appears to be the intent of the Settlor. The request for instructions and confirmation that the Trustee may distribute the Trust assets directly the grandchildren who are under the age of 25 is DENIED for failure to provide good cause as to why the Settlor's intent should not be respected. The only argument made is that these four beneficiaries are capable of handling their own financial affairs. That does not overcome the intent of the settlor.

The request that the Court determine that the transfer to Daniel Forster was a gift and not a loan is DENIED because the facts and information provided appear to support a finding that the transfer to Daniel Forster was a loan.

The request that the Court determine that the transfer to Katherine Callan was a gift and not a loan is DENIED because the facts and information provided support a finding that the transfer to Katherine Callan was a loan.

The request that the Court determine that the transfer to Joseph Forster was a loan of no value and instruct Petitioner to forgo efforts to collect on the alleged loan is DENIED because the facts and information provided do not support this request.

The request for the Court to instruct that the Trust continue its litigation against Ms. Daetwyler to recover fees and costs incurred in clearing the Property title in the approximate amount of \$60,501.96 is DENIED without prejudice due to insufficient information provided. There is insufficient information provided for the court to determine that it should instruct the Trustee to continue in this litigation; it is entirely up to the Trustee whether she believes this is a proper pursuit on behalf of the Trust.

The Petition to Confirm Property as Trust Assets is CONTINUED to December 1, 2026 at 9:00 a.m. for Petitioner to:

- (1) Comply with Probate Code 851 and use DE-115; and
- (2) Given that the prayer of the Petition requests that the Court confirm the property listed on the Schedule A be confirmed to the Trust, Petitioner must clarify which property on the Schedule A

Petitioner seeks to confirm as belonging to the Trust given that the Petition does not state that all assets listed on the Schedule A are either titled in Settlor's individual name or the name of the Trust. Further, Petitioner fails to provide legal authority this Court to make a determination of ownership as to real property located in Ireland, although petitioner alleges that it is already held in the Trust.

Tentative Ruling:

The Court intends to GRANT both petitions. The minor's presence at the hearing is waived.

The Court finds and orders:

1. Patrina Rubina Koroilavesau and Semi Tuleca Koroilavesau be appointed as guardians of the person of Irene Vutaeli Koroilavesau.
2. The assessment of \$850 for the cost of the investigation be waived on the basis of hardship.
3. If the guardianship petition is granted, the guardians shall immediately notify the Court in writing of any significant change in circumstances impacting their ability to continue as the minor's guardians, including, but not limited to:
 - a) Changes in the guardians' address and/or telephone numbers.
 - b) If the minor is no longer residing in the guardians' home, why the minor moved and the name, relationship, address and telephone number of the person with whom the minor resides.

26-PRO-00529	Conservatorship of Frank Beltran	
Line 14	Proposed Conservatee: Beltran, Frank (WILKINS, PAUL A.) Tentative Ruling:

APPEARANCE ORDERED (Zoom allowed)

The Petition for Appointment of Conservator for the Person and Estate is GRANTED-IN-PART, DENIED-IN-PART and CONTINUED as follows:

1. Frank Charles Beltran and Linda Beltran are appointed co-conservators of the person and estate of Frank Beltran, and a conservatorship is the least restrictive alternative.
2. The conservatee's attendance at the hearing is waived;
3. Exclusive Medical Authority under Probate Code Section 2355 is GRANTED to the conservators;
4. The request for authorities under Probate Code Section 2356.5 is DENIED, as the proposed conservatee is presently managed in an unsecured environment, and he is not currently administered psychotropic medication for the treatment of a major neurocognitive disorder

6. The request to reimburse Charles Hinkle upon the sale of real property in the amount of \$43,332 is GRANTED;
