TENTATIVE RULING:

Appearances ARE required. The parties are to appear and provide the Court with an update on visitation, and whether court involvement remains necessary. If the parties have been unable to informally resolve the matter, the Court will set a date for a contested hearing on the issue, with an order for the parties to exchange witness lists and any documents they anticipate using at the hearing, providing the same to the Court, at least two weeks prior to the contested hearing. The parties shall review Local Rules 6.2F which requires, among other things, that parties meet and confer for purposes of making reasonable efforts to informally resolve any controversies and to file Statements of Issues or Settlement prior to an evidentiary hearing.
