Case Number: 26STCP03055 Hearing Date: September 21, 2026 Dept: 734

THE FOLLOWING CONSTITUTES THE COURT'S RULING ON PETITIONER'S EX PARTE APPLICATION. THE MATTER WILL NOT BE CALLED FOR HEARING.

The Court has reviewed the

ex parte application of Petitioner LA Settlement Funding, and finds the matter suitable for decision in chambers without argument.

In the ex parte application,

Petitioner contends that relief is appropriate because "the Court's reservation system is not built for eleven filings arriving at once." The Court will point out that this design is deliberate: there must be limits on the number of reservation slots for motion hearings available through the CRS system. The limits in the CRS system account for the anticipated amount of work that particular types of motions will require. Without this system, the Court cannot allocate resources correctly, anticipate the need to review moving and opposition papers, and ensure time for hearings. By combining eleven payment transfer requests into a single petition, and setting a single hearing for all eleven, Petitioner's counsel unilaterally attempted to pack the work of eleven petitions into a single hearing slot. This is no different from reserving a table for one at a restaurant, then showing up with a party of eleven, demanding to be served.

Nevertheless, the

application is GRANTED, on conditions. The Court will authorize the special setting of hearings for all proposed transfers on November 13, 2026 at 8:30 a.m., on the following conditions:

Petitioner shall pay eleven separate motion filing fees of \$60 to the Clerk of the Court.

At least 10 days before the hearing, Petitioner must file a supplemental brief or table that clearly indicates, in a separate section for each of the 11 proposed transferors, the following: (1) all information required by Insurance Code section 10139.5(c), including complete information regarding dependents, income, and any financial resources beyond income; and (2) any documents required under the Insurance Code, or an explanation of why such documents cannot be provided or are not required.

Failure to pay the required motion fees, or failure to comply with the Court's order regarding the filing of supplemental briefs, may result in a continuance of the hearings or the imposition of sanctions pursuant to Code of Civil Procedure section 177.5.
