Case Number: 26SMCV02044 Hearing Date: September 18, 2026 Dept: I

The court will DENY the application without prejudice. The court will VACATE its order of publication. The court can authorize a different manner of service, but the court will need a more complete recitation of plaintiff's financial condition as to the cost of publication, and also whether plaintiff has looked into other publications of general circulation that might be less expensive as alternatives.

The court will not do that for plaintiff. If there is no publication that is possible, and if a financial showing is made, then the court can consider other means. The court does have the fee waiver papers, but more detail is required showing actual assets and the like to do away with even service by publication.

The financial information MAY BE FILED UNDER SEAL.
