Case Number: 24SMCV01802 Hearing Date: September 18, 2026 Dept: I

The matter is here for an FSC. The trial date was set at a CMC held on January 30, 2025. The court has not received any FSC materials, however. The court assumes that this is because the case settled, which is an excellent reason not to file FSC papers. If that is not the case, then the court will need to have a different discussion. In any event, the matter is plainly NOT READY FOR TRIAL and the trial date is VACATED.

The court will discuss whether to set a TSC and OSC re: Sanctions on the one hand, or an OSC re: Dismissal (Settlement) on the other hand. The court notes that plaintiff Sigler dismissed the case without prejudice on February 26, 2025, so the foregoing does not apply to that plaintiff. The court does note that the original trial date was September 28, 2026, and it was continued on the court's own motion to October 7, 2026. The court instructed the parties to inform the court if the new date was a problem, but no one did, so the court assumes that the court's continuance was not the cause of the lack of FSC materials.
