Case Number: 24SMCV02680 Hearing Date: September 18, 2026 Dept: I

The matter is here for an FSC. The trial date was set at a CMC held on January 30, 2025, but the court has received no FSC materials. The court assumes that this is because the matter settled. If so, that is an excellent reason not to provide FSC materials. If not, the court will have to have a conversation with counsel. But in either case, the matter is plainly NOT READY FOR TRIAL. The court will therefore VACATE the trial date. The court will set either an OSC re: Dismissal (Settlement) on the one hand, or a TSC and OSC re: Sanctions on the other hand. The court will inquire as to which. The court is aware of the stipulation dated September 3, 2026, in which the parties sought to continue the matter. That request was denied on September 8, 2026. The court reminded the parties that it warned them expressly at the CMC that there would be no continuances absent extraordinary cause—meaning something unforeseen and unforeseeable—due to the court's trial docket. The court left open the possibility of a further application making out such cause, but none was filed.
