Tentative Ruling:

APPEARANCE OPTIONAL

The Petition is DENIED with prejudice. The findings requested by Petitioner pertain issues that have already been adjudicated and would therefore serve no purpose. The issue of revocability was previously before the Court in case 24PRO00857 with a final decision issued that the very claims sought by this re-named petition are time-barred. If Petitioner continues to seek to litigate the same issues further, the Court will consider deeming Petitioner a vexatious litigant. No action is taken on Petitioner CCP 170.1 petition as it and its attendant declaration have not been served.
