**Tentative Ruling:**

GRANT as to Special Interrogatories nos. 2, 6, 9,11 and 13.

BMW's response to no. 2 is not responsive to the call of the question. For no. 6, if the question requires reference to another document, the document should be identified and its contents summarized. In no. 9, BMW's response is vague. Does BMW maintain there are no defects that are responsive, or does BMW maintain only there are no
