TENTATIVE ORDER

Defendants Alexandra Zorina and Ram Venkat's Motion to Compel Plaintiff to Comply with Demand for Physical Examination is GRANTED. The parties shall meet and confer about a rescheduled Independent Medical Examination date before Nick Shamie, M.D., to occur within sixty (60) days of entry of this order. The Independent Medical Examination shall occur within normal business hours, between 8:00 a.m. and 5:00 p.m, and Plaintiff Joyce Kang is entitled to reimbursement for travel and mileage to the March 23, 2026 appointment date at the standard rate.

Defendants Alexandra Zorina and Ram Venkat to give notice.

Defendants Alexandra Zorina and Ram Venkat ("Defendants") move the Court for an order compelling Plaintiff Joyce Kang ("Plaintiff") to attend her Independent Medical Examination ("IME") before Nick Shamie, M.D. Defendants contend that Plaintiff has failed to provide a date to rescheduled the examination after Dr. Shamie failed to attend the first scheduled examination, and they argue that it is improper for Plaintiff to condition her appearance on certain payments and restrictions.

Plaintiff agreed to attend the IME, but the examiner failed to show, and since then, the parties have failed to come to an agreement as to how to proceed with the IME. The Court has reviewed the papers and finds that the parties have engaged in a dialogue about rescheduling, but neither side has been particularly cooperative with the other, requiring court intervention. Accordingly, Defendants Alexandra Zorina and Ram Venkat's Motion to Compel Plaintiff to Comply with Demand for Physical Examination is GRANTED as follows: The parties shall meet and confer about a rescheduled Independent Medical Examination date before Nick Shamie, M.D., to occur within sixty (60) days of entry of this order. The Independent Medical Examination shall occur within normal business hours, between 8:00 a.m. and 5:00 p.m, and Plaintiff Joyce Kang is entitled to reimbursement for travel and mileage to the March 23, 2026 appointment date at the standard rate.
