3	23PR-0326	Guardianship of: Julien Sheetz	Petition First Accounting Filed 7/02/2025; Cont'd 1/23/26 (Amended Petition Filed 5/18/26)	CONTINUED LIST: <i>The matter is continued to December 4, 2026 at 9:00 a.m. in P2. All additional materials are due by November 6, 2026. The following is noted as to the accounting, which was first turned for review on May 18, 2026. An amended Account will be needed due to all the issues below.</i> 1. <i>Account Starting at and values:</i> a. <i>The starting date of the Account is incorrect, as the guardianship was granted on March 1, 2024, not March 11, 2025. The order of the Court was March 1st. An explanation is needed as to what occurred in the ten-day period. See Fiduciary Accounting Handbook (CEB) section 5.4.</i> b. <i>It does appear from the bank statements provided that the checking account had a balance of \$18,871.00 on March 1, 2024 AND on March 11, 2024. It is unclear how the value on the inventory and the accounting presented of \$17,873 was determined, as it does not match the statement.</i> 2. <i>Inventory and Appraisal:</i> a. <i>The appraisal date on the Accounting is incorrect. The appraisals should have occurred on March 1, 2024, not March 11th. Amendment of Attachment 1 is needed and a declaration from the probate referee confirming the March 1st value is needed.</i>

				<i>b. Two “Final” Inventory and Appraisals were filed. One was filed on July 2, 2025 for \$352,500.00. The other was filed May 18, 2026 for \$17,837. It is unclear which document is supposed to be the final Inventory and the final value of the estate. Is the document filed on May 18, 2026 a Supplemental filing?</i> <i>3. Accounting:</i> <i>a. Additional information is needed to establish the minor was only paying one half of the real property costs and living expenses. Based on the information provided, the Court is unable to evaluate the disbursements made to confirm the same.</i> <i>b. Additional information is needed on the disbursements for food. The Petitioner, as a parent of the minor, normally has the responsibility to pay for basic necessities of life outside of the guardianship assets. An explanation is needed.</i> <i>4. As the minor turns 18 on Sept. 17, 2026, the Second and Final Account, for the period from April 4, 2026 to the date the assets are transferred to the minor, must be filed by December 4, 2026.</i>
