

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**2025PRDE052112: IN THE MATTER OF CONRAD SCHLUNEGGER
08/20/2026 in Department J6
Hearing on Petition for Waiver of Accounting and Final Distribution**

As of 8/18/26, no notice of hearing has been filed. If the Waivers of Notice of Proposed Action (NOPAs) filed on 3/18/26 are intended to waive notice for this hearing, the Court notes that the NOPA procedure does not apply to the settlement of accounts, allowances of statutory fees, or final distributions. (Prob. Code, §§ 10501, subd. (a), 10580, subd. (a), 10583.)

Subject to statutory notice or a valid waiver thereof, a final account will be waived.

When an account is waived, the fee computation must be substantially in the form provided in California Rules of Court, rule 7.705(a). (Cal. Rules of Court, rule 7.705(b).) The petition fails to indicate the amounts for receipts, gains, or losses. If there was none, this should be stated. Petitioner is directed to serve and file a verified supplement that complies with rule 7.705.

Subject to the foregoing and assuming that the fee computation provided in the petition is correct, the Court will approve \$11,065.50 in statutory fees and \$1,483.20 in cost reimbursement to Petitioner's counsel. Petitioner waives her fees.

The proposed final distribution of the estate to Petitioner as the trustee of the Conrad Schlunegger and June Schlunegger Revocable Living Trust Agreement dated November 9, 1995 is consistent with the terms of the will.
