The Court encourages all parties to
appear remotely via LA CourtConnect. If
submitting on the Court's tentative ruling, please follow the instructions
provided above.

This
is a lemon law action. Plaintiff Hannah
Dominick seeks to compel the deposition of James Oak, Business Resource Support
Manager and Technical Customer Care & Aftersales, and accompanying
documents.

Defendant
General Motors LLC argues the deposition was unilaterally set and that its
objections to the document requests are valid.

The
document requests seek basic information as to the investigation and decision
making into whether Plaintiff's vehicle should be repurchased or replaced. The
objections lack merit.

The
deposition is to take place within 45 days. Documents should be produced as
requested. The Motion to Compel is granted.

Moving party to give notice.
