

status report was filed in 2025, and the initial petition for final distribution was dismissed. There is no explanation given for the delays and the failure to resolve the issues with the initial petition for final distribution.

2. Petition, item 18: It is unclear how the petitioner is the sole beneficiary. The decedent was survived by a father who died two years after the decedent and would be the sole heir of the estate. The petitioner shall explain and provide a family tree to show how petitioner is related to the decedent and any other supporting documents for the court's review.

3. The Inventory and Appraisal filed on August 27, 2024 is incomplete. Items 3-5 were not completed.

**IN RE THE ESTATE OF MARCEL SALOMON ENCARNACION, DECEASED
PR25-00704**

Report of Administration; Petition for Final Distribution; First and Final Account; Request for Reimbursement of Costs; Request for Payment of Statutory Fees to Administrator; Request for Payment of Statutory Fees to Estate Attorney; and Request for Reserve (Probate Code §§ 10400, 10402, 10810, 10831, 10951, 11004, 11600 THROUGH 11640 - et. seq)

PREGRANT ORDER

The court on its own motion continues this hearing to September 16, 2026 at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. Petition, item 29: The list of costs advanced by counsel includes a request for reimbursement of \$1.70 in postage paid to mail documents to the Philippines. Postage costs are not reimbursable absent extraordinary circumstances. (Solano County Local Rules, Rule 7.72(b)) What circumstances warrant judicial approval of this expense?
 2. Petition, item 30: The calculation of the statutory compensation states that the fee base is \$1,049,712.45, but it is unclear where that amount came from, as the Inventory value was \$1,055,194.96 and there are no losses on sale which would reduce the Inventory value. The petitioner shall explain.
 3. Petition, item 37: The petition states that the assets on hand equal \$1,000,801.38. This appears to be incorrect. Court Staff calculates that assets on hand are \$1,000,801.38. The petitioner shall explain.
 4. Petition, item 38: The proposed distribution appears to be incorrect. Court Staff calculates the amounts to be distributed as \$500,400.69 to each heir. The petitioner shall explain.
