Other Hearing: PTN for Order Authorizing Surviving Spouse to Remain in Possession of Family Dwelling Pending Hearing on Homestead Set-Aside and Spousal Property PTN

Tentative Ruling: APPEARANCES REQUIRED. The Court previously indicated an intent to stay litigation on the petition set for the present hearing. See ruling on ex parte filed July 7, 2026. To the extent there is an objection, the Court is inclined to set a briefing schedule to allow the parties to brief the question. If there is no objection, the petition filed on July 2, 2026, including the deadline for any objection to same, will be stayed until resolution of the question of validity of the annulment in case 25FL01284 or further order of the Court.
