TENTATIVE RULINGS FOR AUGUST 28, 2026 AT 8:30 A.M.**

12. S-CV-0055258 WAMPLER, DAVID v. TAYLOR, RYAN

NOTE: If oral argument is requested in this case, it shall be heard on AUGUST 28, 2026 AT 1:00 P.M. in DEPARTMENT 1.

Defendant Ryan Taylor's Motion to Compel Plaintiff's Responses to Form Interrogatories; Special Interrogatories; Requests for Production; and Issue Sanctions

The motion is granted in part.

Plaintiff David Wampler shall provide verified responses, without objections, to form interrogatories, set one, by September 25, 2026.

Plaintiff David Wampler shall provide verified responses, without objections, to special interrogatories, set one, by September 25, 2026.

Plaintiff David Wampler shall provide verified responses and responsive documents, without objections, to requests for production of documents, set one, by September 25, 2026.

The request for issue sanctions is denied. Nonetheless, plaintiff is advised that repeated conduct of failing to comply with discovery obligations may lead the court to find an abuse of the discovery process and award sanctions, including terminating sanctions, on that basis.
