The Notice of Hearing filed August 27, 2026 is noted. The Court still does not see notice on Donna Clark, the biological daughter of the conservatee as listed in other materials in the file. As noted before, is unclear who the successor in interest to the conservatee's estate is, and who should receive notice of these last two accountings due to the death of all other parties. It is recommended the Court require notice on the intestate heirs to ensure that appropriate parties are notified (Probate Code §1202.) <i>It is recommended an OSC re: Sanctions be set for failure to file by the court-ordered deadline.</i>
