Case Number: 24SMCV03326 Hearing Date: August 24, 2026 Dept: I

This matter is here for an FSC. However, there was an earlier application to continue the trial. The reason was that lead trial counsel is also lead trial counsel in another matter set for trial in this department scheduled to start just before this case such that this case would not likely go forward. The court continued the application to continue the trial to today, but told counsel that it did not expect the parties to work toward the FSC given the strong likelihood that the court would be in trial and that if it turned out that the case could go forward, the court would work with the parties regarding the FSC so as to understand that they were given that instruction. The other case is going forward and therefore it does appear that a continuance will be necessary. The court will therefore discuss the matter with the parties and most likely schedule a TSC.

The court will also inquire as to the status of the case. Prior defense counsel withdrew, which would mean that the entity has a problem. There is also an individual defendant, however, who is entitled to appear without counsel.
