Solomon v. Angeleno Homes LLC

25STLC09462

Demurrer to First Amended Complaint

Tentative Ruling

Defendant Melinna Rivera demurs to the First

Amended Complaint filed in this action on April 1, 2026 (the "FAC").

In her demurrer, Defendant presents evidence

that the FAC is "identical" to a first amended complaint filed in Case No.

23STCV24047, also involving these same parties.

That case was dismissed in November 2025, approximately one more before this action was filed.

It appears to the Court that this matter may

be related, within the meaning of California Rules of Court, rule 3.300, to

Case No. 23STCV24047. Accordingly, the

Court ORDERS Defendant's counsel to file a Notice of Related Case by no later than September 1, 2026, identifying this case and Case No. 23STCV24047 as related cases. Strict and full

compliance with subdivisions (c) and (d) of rule 3.300 is required.

The Court expresses no views on whether the

two cases should be ordered related. That

decision is entrusted to the judge presiding in the department in which Case

No. 23STCV24047 is (or was) pending.

The Court CONTINUES the hearing on the demurrer for approximately 60 days.

The Court also CONTINUES the Case Management Conference and Order to Show Cause hearing, currently set for September 10, to the same date and time as the new demurrer hearing.

Moving party is ordered to give notice.
