9:00 a.m. in Department 4, with Judge Tana L. Coates Presiding**

No.	Case Number	Case Name	Type of Matter	Probate Notes
<u>The following matters are OFF CALENDAR, DISMISSED, DENIED OR CONTINUED:</u>				
2	21PR-0171	Estate of: David Perry	Petition Filed 11/25/2025 - Final Distribution and Accounting [DUE 7/28/26]; cont'd 9/16/25, 4/7/26	CONTINUED LIST: <i>The matter is continued to February 9, 2027 at 9:00 a.m. in D4. All additional materials are due by January 8, 2027. A fully amended Petition, with a full account, is needed. The following is noted:</i> <i>1. Proof of service of Notice of Hearing was not located on Steven Gregory. Counsel notes that a Declaration of Diligent Search was filed on June 7, 2022. Due to the prior litigation in the Petition, it does not appear a formal ruling occurred on the request, which is now recommended to be accepted. This will be discussed at the next hearing.</i> <i>2. Are Kati Perry and Tricia Perry, Katie Viola Sly and Patricia Irma Sly, and Patrica Sly-Feighner? The names change between the filings throughout the case, and an explanation was not found in the Amended Petition, although it was requested in the prior probate notes.</i> <i>3. A Final Inventory was filed on July 23, 2026, but this document is NOT discussed in the amended Petition.</i>

				<i>Section 11 of the Amended Petition lists three Inventories filed, dated February 3, 2025 (a Final), August 8, 2025 (A corrected/ amended Final), and a June 23, 2026 (another “final”). The Feb. 3, 2025 Inventory filed indicates it is a “reappraisal for sale”. There was no original inventory located for which the “Reappraisal” applies. The Inventory and Appraisal filed on July 8, 2025 indicates it is a corrected “reappraisal for sale”, which has the same issue as the February 3, 2025 document. The August 8, 2025 document and June 23, 2026 document, referenced in the Amended Petition, do not exist in the file. It is unclear what is being alleged due to the incorrect dates and names. Correction is needed in the Amended Petition and Amended or Corrected Inventories and Appraisals are needed to explain what is actually part of the estate as of the date of death.</i> <i>4. The account provided does not match the inventories filed, is missing mandatory schedules, and is not in compliance with Probate Code section 1060 et. seq. The losses on the account do not match the rest of the Petition, namely because the Carry value is incorrectly reported. There is no asset on hand schedule for the beginning or ending of the account. It is unclear why the bank statements were attached. These are not substitutes for an accounting. A fully Amended Account is needed.</i>

				5. <i>The statutory fees cannot be determined because they expressly use values that are not verifiable, as they use inaccurate or non-existent Inventory and Appraisals per item 22.</i> 6. <i>Costs of \$1,819.17 are recommended. This includes the request of \$1,966.17 less the \$75.00 “set up fee” that is not a cost, but a fee imposed by the attorney’s office which is not authorized by the Probate Code for statutory fees.</i> 7. <i>It appears, based on the will, the remaining assets of the estate, including later discovered assets, after payment of fees and costs, would pass to a church. The Petition does not address why the residual is passing to the adult children.</i> 8. <i>A proposed order is needed.</i>
4	21PR-0279	Estate of: Betty Robinson	Petition Filed 10/09/2023; Petition for Final Distribution Waiver of Accounts [DUE 7/24/26]; (Amended 9/16/24) cont'd 4/30/24, 10/08/24, 9/2/25	CONTINUED LIST: <i>The Petition is continued to April 13, 2027, at 9:00 am. in D-4 to be heard after the Status Report filed August 11, 2025. All additional items must be filed by March 16, 2026. The following is noted:</i> 1. <i>The Amendment to the Petition for Final Distribution and Petition and Assignments of Interest to the Estate of Betty Robinson confirms the property listed as part of this estate (estate of Betty Robinson), property at 257 9th Street San Miguel (Property), currently belongs to the Estate of James Baker, father of the Decedent. A proceeding to clear title out of the Estate of James Baker and transfer the property to the heirs of that estate is needed. The attempt to identify the possible heirs of the estate of James Baker informally</i>
