County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: a-b) These matters are CONTINUED, on the Court's own motion, to October 20, 2026 at 8:30 a.m. in Department 23. The Court finds the parties' meet-and-confer efforts to be insufficient under the circumstances presented herein. Specifically, the Court notes the absence of any further meet-and-confer efforts after Defendant's service of further responses to the subject discovery. Further, the Court believes that the potential exists for the parties to informally resolve or substantially narrow the subject issues if genuine efforts to meet and confer are undertaken in good faith. Therefore, the hearing is continued, as above, for that purpose, and the parties are ordered to meet and confer in person or by online video conference to discuss the issues herein. The parties are further ordered to submit a Joint Status Statement by October 9, 2026, describing their efforts to meet-and-confer and any resolution or narrowing of the issues they were able to achieve. The Court believes the issues herein are amenable to informal resolution. Toward that end, the parties are reminded that discovery is intended to be self-executing, and good faith communication should involve serious efforts at informal negotiation and resolution, not mere bickering between counsel. (See, e.g., *Townsend v. Superior Court (EMC Mortgage Co.)* (1998) 61 Cal.App.4th 1431; *Obregon v. Superior Court (Cimm's, Inc.)* (1998) 67 Cal.App.4th 424.) Therefore, the Court expects the parties to make genuine efforts to informally resolve their differences with due civility to one another and to demonstrate their best efforts in this regard.
