County: stanislaus

Division: Civil Law and Motion

Department: 24

Hearing date: 2012-04-02

Motion: The Court has reviewed the declaration of Nicole Bench, Case Manager for ILYM Group, Inc., concerning administration of the class action settlement. The declaration establishes that settlement funds have been distributed pursuant to the Court's Final Approval Order and Judgment entered February 3, 2026. The declaration further establishes that settlement checks were issued on March 25, 2026, and that settlement class members have until September 21, 2026, to negotiate those checks. As of August 11, 2026, 152 checks totaling \$61,637.09 remained outstanding. Under the Final Approval Order and Judgment, any funds represented by uncashed checks are to be distributed to the Court-approved cy pres recipient, Jessica's House. The Court finds that a final accounting cannot yet be completed because the check-cashing period has not expired. The amount of residual funds, if any, remains unknown, and no cy pres distribution has yet occurred. Good cause therefore exists to continue the compliance hearing. Accordingly: 1. The final accounting hearing is CONTINUED to October 27, 2026, at 8:30 am in Department 24. 2. No later than 10 court days before the continued hearing date, the Settlement Administrator, ILYM Group, Inc., shall file and serve a supplemental declaration: (a) confirming expiration of the settlement check-cashing period; (b) identifying the total number and dollar amount of checks negotiated and uncashed; (c) confirming the amount of residual funds, if any, distributed to Jessica's House pursuant to the settlement and Final Approval Judgment; and (d) confirming completion of all settlement administration and distributions. 3. No later than 10 court days before the continued hearing date, Class Counsel shall file and serve an amended proposed judgment and proposed final accounting order that complies with Code of Civil Procedure section 384.5 and includes all information required by Government Code section 68520, including but not limited to: (a) the identity of the cy pres recipient; (b) the amount of residual funds distributed to the cy pres recipient(s); (c) the total amount distributed to class members; (d) the total amount of attorney fees and costs awarded; and (e) any other information required for transmission to the Judicial Council pursuant to Government Code section 68520. The Court retains jurisdiction to supervise implementation of the settlement and distribution of residual settlement funds as provided in the Final Approval Order and Judgment.
