Dept. 9-The Honorable Nathan D. Ide

Motion: Plaintiff's Motions to Enforce Court Orders re: Defendant Kamohai as to (1) Further Responses to Form Interrogatories (Set One); (2) Further Responses to Form Interrogatories (Set Two); (3) Further Responses to Request For Production of Documents (Set One) (4) Further Responses to Requests for Admissions (Set One)

Tentative Ruling: (1) through (4): To inquire as to the coordination of the deposition and other issues raised by these motions with respect to notice and service on Defendant Kamohai.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
