Case Number: 25SMUD02217 Hearing Date: September 8, 2026 Dept: I

The court will hear from the parties as to the status. The issue was whether there was a meeting between plaintiff, defendant, and the VA in which the VA agreed to reinstate the benefits, but a month late. If such is the case and everyone was there and agreed, the court would think that this would be sufficient to bar the application for entry of judgment. However, the agreement was clear that Allen is responsible for ensuring that plaintiff get 100% of the rent due. If the VA will not pay the subsidy for a portion of time, Allen remains liable for the unpaid amount, as discussed in the agreement.
