Case Number: 26LBCV00267 Hearing Date: September 10, 2026 Dept: S27

Plaintiff's attorney, Harold Jasper

of the Law Offices of Larry H. Parker, Inc., seeks to be relieved as counsel, declaring there has been a complete breakdown of the attorney-client relationship.

Counsel declares he confirmed

Plaintiff's address by certified mail, return receipt requested. Counsel must lodge a copy of the return receipt with the Court prior to the hearing or bring a copy to the

hearing. If Counsel lodges a copy of the

signed return receipt prior to trial, the motion will be granted, with relief

effective upon filing proof of service of the final order on Plaintiff. If Counsel does not do so, the motion will be denied without prejudice. Notably,

Counsel also declares the address was "confirmed" by a TLO People Search, but

these types of searches, while helpful for locating a person, do not provide

conclusive evidence that a person resides at a specific address; the Court,

therefore, does not consider the address independently "confirmed" due to the

TLO search.

If the parties submit on the

tentative, the motion will be denied without prejudice.

Counsel is ordered to give notice.
