Appearance is required for hearing on petition to confirm sale of real property (148 Hap Arnold).

Missing reappraisal for sale. Prob.C. § 10309(a)(1)–(2). Administrator appears to misread the appraisal by the probate referee which fixes the date-of-death value of the property, not a date-of-appointment value.

Clarification: administrator requests approval of commissions of nearly 11% of the sale price, without explanation for the unusually high request.

**2. S-PR-0012296 In Re the Estate of Donald, Blane Edward**

Administrator response is needed: administrator alleges distributions of the bulk of the estate to himself and to devisee Hunter Donald. No petition for preliminary distribution was ever filed or granted. Administrator had no authority to distribute either real property or cash to any devisee of the estate. It is recommended the court decline to approve all impermissible preliminary distributions.

Administrator response is needed: the estate was previously granted a judgment of \$25,000 against Sherry Donald. The judgment is not mentioned in the petition and it is unclear whether the judgment has been collected or remains an asset of the estate.

Attorney response is needed: the court has previously determined in adversarial proceedings that reasonable attorney fees for the estate litigation concerning title to the real property was \$25,000. Counsel should address any basis on which the court should not determine that reasonable extraordinary fees should be fixed at an amount greater than \$25,000.

Appearance is required for continued hearing on petition to administer estate.

Will contest (E Vlk)

Appearance is required for continued hearing on petition to administer estate.

Missing 30 days' service of summons to all persons entitled to service of notice of the petition to probate the will. Prob.C. § 8250(a).

Appearance is required for hearing on ex parte application for trial preference.

It is again recommended the application be denied for the reasons set forth in prior calendar notes.

**7. S-PR-0013051 In Re the Estate of Shackelford, Carol Len**

Appearance is required for hearing on motion to compel delivery of records under C.C.P. § 129.

It is recommended the motion be denied, as follows.

Administrator Cheley Hokanson has not invoked any procedure which permits relief. Coroner records may be obtained under C.C.P. § 129 by one of two methods: first, by a written authorization which includes requisite information, whether or not a civil action is pending (C.C.P. § 129(a)(3)(A)); second, by a subpoena, but only when issued by a "party who is a legal heir or representative of the deceased person in *a pending civil action*" (C.C.P. § 129(a)(3)(B)).

Administrator relies entirely on the (a)(3)(B) subpoena process. However, no civil action between administrator and any other person concerning decedent's death is known to court to be pending in this or any other jurisdiction. The second, third, and fourth amended petitions to administer the estate cannot support administrator's subpoena for at least two reasons. First, administrator offers no legal authorities showing that a petition to administer estate is a petition relating to the death of the decedent where coroner photographic and video evidence may be used, as required by C.C.P. § 129. Second, any right to discovery under the petitions to administer estate expired when the 4th amended petition was granted. An administrator is not entitled to conduct discovery or issue witness subpoenas except in a pending action. See Prob.C. § 1000(b). The motion and requested sanctions must, accordingly, be denied.

The motion is additionally moot because administrator now concedes that the coroner has released the requested information.

Finally, although Placer County and the Placer County Sheriff's Office opposed this petition as real persons in interest for Sheriff-Coroner-Marshall Wayne Woo, administrator made now showing of any kind to support any relief against responding persons "Deputy Alexis Bliss," "Deputy Christopher Sutherland," "Ross Byers," "CDC E. Hintze," "Sgt M. Cuevas," "Sgt Nathaniel Giovanetti," "Vanessa Garcia Flores," "Stephanie Hicks," and "Aimee Kincade." All relief must be denied as to these persons.

These calendar notes are not a tentative ruling by the court on the merits of the motion, contrary to the statement made in administrator's renewed reply filed September, 4, 2026. Instead they are offered to assist the parties and persons involved and the court to prepare for the hearing. Local Rule 80.4.1.

Note: the court had reserved a hearing date for a petition to determine estate property. No such petition has been filed, despite the several notices of hearing filed June 20, 2025, July 11, 2025, and May 18, 2026. The court made clear at the June 5, 2026, hearing that administrator's 4th amended petition to administer estate was not an

appropriate petition in which to assert § 850 claims. The reserved hearing for the intended petition to determine estate property was accordingly dropped.

**8. S-PR-0013289 In Re the Estate of Wiley, Peter Cornelius**

Appearance is required for continued hearing on petition for final distribution.

This matter was previously continued to address the following calendar notes, both of which remain unresolved:

Petitioner response is needed: petitioner reports that estate real property was sold for \$525,000. The allegations instead establish that no real property was sold (real property remains in the estate; there are no proceeds of sale in the estate). Petitioner and other heirs appear to have agreed upon a valuation for distribution of the property. Valuation change for distribution purposes does not constitute sale of property. Because no sale occurred, there is also no gain on sale of real property for any purpose, including calculation of attorney fees.

Proposed distribution is contrary to intestacy. As prayed, petitioner would receive approximately 20.4% of the estate; Chorny, 26.5%; and D Wiley 53%. Intestacy requires equal distributions of assets determined by date-of-distribution value; petitioner offers no factual or legal basis for unequal distributions of the estate.

Appearance is required for hearing on trustee account.

**16. S-PR-0013986 In Re the Estate of Dedeaux, Julie Ann**

Missing proof of publication of notice of hearing for petition to administer estate. Proof of publication filed May 22 is not a publication of notice of hearing.

Missing required allegations at ¶ 5a(3)-(4) (RDP).

Clarification is needed: ¶¶ 5 & 8 allege decedent was survived by 3 children; ¶ 6f alleges decedent was survived by no issue (¶ 6), no issue of parents (¶ 6b) and no issue of grandparents (¶ 6d). Children are issue, issue of parents, and issue of grandparents.

Missing waivers of bond by Garrett Dedeaux and Tara Dedeaux.

Note: IAEA powers are not requested (¶ 1c).

**17. S-PR-0013987 In Re the Robert and Gwen Wilson Trust**

Appearance is required for continued hearing on petition to remove trustee and compel trustee account.

Clarification is needed: petitioner alleges that Claudia Wilson is a surviving child of predeceased beneficiary Robert Wilson III. However, the attachments to the petition appear to include an unauthenticated letter by Claudia Wilson wherein she states she is a surviving spouse of Robert Wilson III. Her status as spouse or issue must be to apply Prob.C. § 21110.

Clarification is needed: petitioner alleges that Claudia Wilson and Lisa Wilson are "named" in the trust. Petitioner does not identify provisions naming either of these individuals.

It is recommended the court require suspended trustee to account from the date of Gwen Wilson's death to no earlier than March 1, 2026, and require trustee to serve notices to all beneficiaries in conformity with the requirements of Prob.C. § 16061.7 et seq.

Note: no notice has been given to trustee of the continued hearing, her suspension, or the court's advisement that C.C.P. § 177.5 sanctions may be awarded against trustee upon failure to appear.

**18. S-PR-0013990 In Re the Estate of Roznos, Carmen R**

Additional information is needed: ¶ 8 identifies two siblings of decedent, one nephew, 2 stepchildren, and 8 step-grandchildren. Additional allegations are needed to clarify the relationships of the nephew and step-grandchildren to decedent, including the persons related parent and whether the applicable parent survives or pre- or post-deceased.

Missing sufficient declaration re terms of beneficiary trust (or authenticated copy of beneficiary trust). Local Rule 80.2.1 requires identification of all trustees, present or future.

Petition to determine trust property is recommended for approval as prayed.

**21. S-PR-0014178 In Re the Estate of Johnson, Caroline Maxine**

Missing sufficient notice of hearing for petition to administer estate. Notice filed May 7 was for a September 4 hearing date that was changed by the court. The court sent an order changing the hearing date to petitioner at his address of record on June 9, but the order was returned as undeliverable. Missing proof of service of sufficient notice of hearing.

Missing proof of publication of notice of hearing for petition to administer estate.

Missing identification of proposed administrator (¶ 2b).

Missing required allegations at ¶ 5a(3)–(4) (RDP) and (7)–(8) (issue of predeceased child(ren)).

Clarification is needed: allegations at ¶ 5a(3) allege decedent left children; allegations at ¶¶ 6–7 allege decedent left no issue; missing relationship(s) of persons listed in ¶ 8 to decedent.

Petitioner response is needed concerning request blocked account: petitioner alleges the estate is comprised almost entirely of real property; petitioner requests only limited IAEA powers, which would not permit administrator to sell real property without court approval. Disposition of sale proceeds (including bond or blocked account deposit) are considered in each petition to approve sale of real property. Blocked account request may be premature.

**22. S-PR-0014180 In Re the Estate of Blamey, Barry Alvin**
