

ABSOLUTE RESOLUTIONS INVESTMENTS, LLC v. LORENA LOPEZ
Case No. FCM174501

Motion for Entry of Judgment

TENTATIVE RULING

Reflecting due process concerns, service of a motion affecting the rights of a defendant who has not appeared in an action typically is required to be made in the same manner as required for service of summons and complaint. (See, e.g., applications for writs of attachment [Code Civ. Proc, § 482.070, subd. (d)]; applications for writs of possession [Code Civ. Proc., § 512.030, subd. (b)].) Defendant filed no responsive pleading in this action identifying an address of record. The court is not satisfied that the mailing address Plaintiff used for service of notice of motion is an effective method to provide notice to the Defendant. The settlement agreement presented does not list an address for Defendant.

The court denies this motion without prejudice due to the above-stated issues. Plaintiff is advised to effect service of future motion papers on Defendant in a manner authorized for service of summons and complaint, at least sixteen court days prior to the continued hearing date.
