Case Management Conference

Tentative Ruling: NO APPEARANCES REQUIRED. On June 4, 2026, this matter was continued to the present hearing date and the Court directed that the administrator either demonstrate that the tenants were evicted or the house was listed for sale. If neither had been accomplished, the Court indicated it would consider removing administrator. There is no change in the status of the case apparent and no update filed showing good cause for the absence of progress. The Court will therefore issue an Order to Show Cause re: sanctions and/or removal. Matter is DROPPED from calendar.
