Limited Conservatorship of Jeffrey Rosaaen

SPR77100

Review

Tentative Ruling: NO APPEARANCES REQUIRED. The Sonoma County Public Defender is appointed as counsel for the conservatee. A copy of these minutes shall be provided to the Public Defender by the court clerk along with a copy of the Court Investigator's report filed July 1, 2026.

The matter is SET on Thursday, November 12, 2026, at 3:30 p.m. in Department 63 at which time the Court will terminate the conservatorship unless a party demonstrates good cause to do otherwise. Any such offer of good cause must be filed and served at least 10 days before the hearing.

The Court tentatively finds that it is in the best interests of the conservatee to terminate the limited conservatorship as the co-conservators are not performing their duties as conservators, including failing to authorize needed medical care for the limited conservatee. If terminated, the regional center has indicated they will continue to advocate for the limited conservatee and have the power to authorize needed medical care.

The limited co-conservators are directed to file and serve the following documents prior to the next hearing:

Notice After Change of Residence of Conservatee (Judicial Council Form GC-080), providing updated contact information for the conservatee.

Notice of Change of Address or Other Contact (Judicial Council Form MC-040), providing updated contact information for the limited co-conservators, Karen A. Rosaaen and Matthew Rosaaen.

The forms must be served all the required parties, including the Sonoma County Public Defender.

The co-conservators may wish to contact the Family Law Facilitator's Office for assistance with these documents at no charge.

The limited co-conservators are directed to pay the court investigator assessment of \$600.00, within 30 days, payable to the Sonoma County Superior Court. Please include the case number and name of the conservatorship and send payment to the

Probate Clerk's office. However, if a fee waiver, based on the financial situation of the conservatee, is granted within 30 days, the fees shall not be payable.
