09/11/2026 in Department J6

Hearing on Petition for Appointment of Conservator of the Estate

Petition states that the proposed conservatee is unable to attend the hearing due to medical inability, however the capacity declaration does not address this issue. Noe has form GC-325 been filed. The Court Investigator's report states that the proposed conservatee can attend the hearing. Proposed conservatee to attend the hearing or inability must be established. If necessary, the court will continue the hearing to allow for form GC-325 to be filed.

Subject to the above, the Court intends to grant the petition and appoint Theodore Gerald Stonely conservator of the estate of Suzan Dianne Stonely with bond of \$698,960.00.

The court intends to appoint counsel for the conservatee.
