Case Number: 23SMCV04232 Hearing Date: September 16, 2026 Dept: I

The court has stated before that it is not thrilled with
PAGA claims becoming class claims. Even
so, the court is inclined to GRANT the application for preliminary approval as
amended. The court's understanding is
that there is a provision as to fees and costs, but they will be formally
sought separately. The court will set a
date for final approval after the period for opt outs and objections has
passed. Plaintiff to prepare an
appropriate order in light of the amendment.
