6.

CASE #	CASE NAME	HEARING NAME
CVSW2406359	40723 MURRIETA HOT SPRINGS RD., LLC, VS TRG MURRIETA, LLC	MOTION FOR LEAVE TO AMEND CROSS COMPLAINT

Tentative Ruling:

C.C.P. §473 authorizes the court to grant leave to amend any pleading “in furtherance of justice, and on such terms as may be proper.” A motion for relief under CCP § 473 is addressed to the sound discretion of the trial court, and the exercise of that discretion will not be disturbed on appeal unless there is a clear showing that it was abused. (*Carroll v. Abbott Laboratories, Inc.* (1982) 32 Cal.3d 892, 897-898; *Record v. Reason* (1999) 73 Cal.App.4th 472, 486.)3.1324(b).

California courts have developed “a policy of great liberality in allowing amendments at any stage of the proceeding so as to dispose of cases upon their substantial merits where the authorization does not prejudice the substantial rights of others.” (*Dunzweiler v. Superior Court* (1968) 267 Cal.App.2d 569, 576.) Thus, if a motion is timely and the amended pleading will not prejudice the opposing party, it is error not to allow leave to amend. (*Kittredge Sports Co. v. Superior Court* (1989) 213 Cal.App.3d 1045, 1048; *Morgan v. Superior Court* (1959) 172 Cal.App.2d 527, 530 [“If the motion to amend is timely made and the granting of the motion will not prejudice the opposing party, it is error to refuse permission to amend and where the refusal also results in a party being deprived of the right to assert a meritorious cause of action or a meritorious defense, it is not only error but an abuse of discretion”].)

While courts will occasionally deny leave to amend when the motion is brought on the eve of trial (*Magpali v. Farmers Group, Inc.* (1996) 48 Cal.App.4th 471, 487-88; *Nelson v. Specialty Records, Inc.* (1970) 11 Cal.App.3d 126, 139-40), “it is an abuse of discretion to deny leave to amend where the opposing party was not misled or prejudiced by the amendment.” (*Kittredge Sports Co.*, 213 Cal.App.3d 1045, 1048; see also *Atkinson v. Elk Corp.* (2003) 109 Cal.App.4th 739, 761.) Prejudice can occur when an amendment “open[s] up an entirely new field of inquiry without any satisfactory explanation as to why this major change in point of attack had not been made long
