COUNTY OF VENTURA**

Probate Notes

2026PRCE072051: IN THE MATTER OF EVELYN FRANCEEN BAKER

09/18/2026 in Department J6

Hearing on Petition for Appointment of Temporary Conservator of the Person and Estate

- Discussion of Proposed Conservatee's assets and amount of bond: \$400,000.00 value of home in Thousand Oaks seems low.
- No personal service of GC-020 to Conservatee of Temporary Hearing. (Probate Code § 2250 (e)(2))
- Capacity declaration does not state date of examination, item 6. Is good cause to waive it needed?
- Is Petitioner requesting dementia/MND orders (restricted placement and/or medications)? Not requested in petition. If orders are requested, capacity declaration is lacking: (i) states proposed conservatee has a major MND and would benefit from restricted environment but does not state if PC lacks capacity to consent to placement (item 22(c)(2)); (ii) states proposed conservatee has MND and lacks capacity to consent to administration of MND medications, but does not state person needs or would benefit from such medications (item 23(b)).
- Discussion of timing and need for Probate 2540 powers prior to hearing on general petition.

CI Report not filed as of 9/15/26 (Probate Code §2250.6). If not filed before the hearing, the Court intends to order the CI to provide a report.

The Court intends to appoint counsel for conservatee.

Subject to above, the Court intends to appoint petitioner Deanna Blunt aka Deanne Blunt temporary conservator of the person and estate of Evelyn Franceen Baker, with bond TBD after hearing. The Court does not intend to grant the powers listed at Attachment 12 in proposed temporary order.
