to Request for Production**

Motion: Plaintiff/Cross-Defendant Noushig Inc.'s Motion to Compel Defendant
Airdraulics, Inc.'s Responses to Request for Production; Request for Sanctions

Tentative Ruling:

Pursuant to California Code of Civil Procedure section 2016.040(a), "[a] meet and confer declaration in support of a motion shall state facts showing a reasonable and good faith attempt, either in person, by telephone, or by videoconference, to informally resolve each issue presented by the motion."

Meeting and conferring by letter is not sufficient. The parties are ordered to properly meet and confer, and shall discuss the timing of the production of a privilege log and whether verifications are required for supplemental responses that identify the requests to which produced documents are responsive. If the parties agree verifications are required, they shall discuss the timing of production of those verifications.

The Court continues the hearing on this motion to Sept. 25 at 8:30AM. The parties shall file a joint report no later than Sept. 22 identifying any issues that remain in dispute.
