Case Number: 21STCV27787 Hearing Date: September 4, 2026 Dept: UIn this case, there is purportedly a "Hearing on Motion for Reconsideration of the November 25, 2024, order denying the motion to set aside/vacate Judge Lu's order of January 18, 2024" set for September 4, 2026. The hearing is designated as such in the eCourt reservation system There is no corresponding motion addressing this Court's order from November 25, 2024.

On August 14, 2026, this Court continued the hearing pursuant to Plaintiff's request As of August 26, 2026, there is still no motion filed that corresponds to the hearing reservation on September 4, 2026. Therefore, there is nothing for the Court to rule on.

Beyond the fact that the Court has no motion consistent with the reservation, this Judicial Officer last had any substantive hearing relating to Plaintiff more than a year ago. Any motion to reconsider would thus be untimely under CCP 1008.
