

No.	Case Number	Case Name	Type of Matter	Probate Notes
				<i>disposed of, compliance with California Rules of Court, rule 7.550 is needed explaining the change in the form of assets. This is required even when an account is waived. (Cal. Rules of Ct., rule 7.550, subd. (b)(6).)</i> 3. <i>It is noted that Ms. Smith agrees to pay the statutory fees and the reserve from her personal funds. It does not appear that a reserve will be needed, but that Ms. Smith is willing to pay any additional costs personally. After payment of the reimbursements on Attachment 38, it appears \$383.22 will remain. The order will reflect that Ms. Smith will pay the remainder of the statutory fees, and any additional costs that arise, after the \$383.22 is applied.</i>
<u>The following matters remain SET FOR HEARING and you should appear:</u>				
1	19PR-0393	In Re: Lester Family Trust	Petition Filed 3/24/2026 - AMENDED	Still under review, please check back.
2	22PR-0006	Estate of: Cheryl Orduno	Petition Filed 9/20/23 - Final Distribution Waiver Account [DUE 8/18/26]; cont'd 4/9/24, 10/08/24, 4/29/25, 1/6/26, 7/22/26	HEARING LIST. Zoom or personal appearance is required. All additional materials or a status updated were ordered to be filed by August 18, 2026. It does not appear that anything was submitted. The following issues remain: 1. The Court notes that on September 16, 2024, an Amended Final Inventory and Appraisal was filed to amend the Decedent's assets as the prior Inventories and Appraisals filed in this matter co-mingled Decedent's assets with her spouse's assets. As such,

No.	Case Number	Case Name	Type of Matter	Probate Notes
				<i>the value of this estate, as well as the estate's assets, changed.</i> <i>a. It is unclear what assets remain on hand for distribution as part of this estate based on the filings. The April 8, 2025 Supplement indicates an April 8, 2025 Corrected Final Inventory and Appraisal "clearly identifying the assets remaining for distribution" was filed. Said Corrected Final Inventory and Appraisal lists <u>one asset</u>, which is \$1,525.56. What happened to all the other assets listed in all the other Inventory and Appraisals?</i> <i>b. In that Amended Inventory dated September 16, 2024, Attachment 1 name four "Chase Bank" accounts without account numbers referenced to identify which accounts are exactly being addressed. For example, is it a checking account, savings account, or can the last few digits of the account be provided so the court can identify the difference? Due to the missing information, the Court still cannot decipher the prior Supplement which does cite bank account numbers to match them to the Amended Inventory. The April 8, 2025 Supplement agrees discrepancies remain (page 3, item 17) and that "[d]etailed identifying information for the account has been provided and supporting documentation clarifies these discrepancies." The file does</i>

No.	Case Number	Case Name	Type of Matter	Probate Notes
				<i>not reflect documentation that clarifies and supports the discrepancies, as referenced in the April 8th Supplement. If the reference is to previously filed documentation, as noted above, that document does not support or clarify the bank account information.</i> 2. <i>A corrected Inventory and Appraisal is still needed. As to the Chase Bank accounts as noted above. This note was only addressed as to the household furniture.</i> 3. <i>Issues with the First Supplement filed 9/16/24:</i> 4. <i>The Petition stated that on April 24, 2023, \$1,597.17 was transferred from Chase Bank. The First Supplement indicates that \$5,829.94, the total value of the Chase accounts was transferred into the estate account. It appears from the Amended Final Inventory and Appraisal that the total value of the Chase accounts was \$9,969.97, for a difference of \$4,139.73. The First Supplement states that the balance of the Golden One Account in the amount of \$1,055.43 was transferred to the estate account but the Inventory and Appraisal only values that account at \$520.71. Again, the April 8, 2025 Supplement agrees and indicates discrepancies remain (page 3, item 17) and that “[d]etailed identifying information for the account has been provided and supporting documentation clarifies these discrepancies.” The file does not reflect documentation that clarifies and supports the discrepancies, as referenced in the April</i>

				<i>8th Supplement. Clarification and the referenced documentation that will address this issue have not been located.</i> <i>5. It is recommended the Court set an OSC re Sanctions for failure to address the probate notes by the court-ordered deadline.</i>
3	22PR-0332	Estate of: Ross Gatzert	Order to Show Cause re: Petition for Final Distribution - Court set 6/24/25; cont'd 12/16/25, 2/24/26, 4/30/26	HEARING LIST: Zoom or personal appearance is required.
4	23PR-0333	Estate of: Jonathan Castle	Status Report c/f: 4/14/26	HEARING LIST: Zoom or personal appearance is required. <i>The following issues remain from the last hearing:</i> <i>1. It is recommended the Second Status Report filed March 26, 2026 be deemed an Amended Status Report considering the first Status Report had not yet been noticed or heard but was set for this hearing date.</i> <i>2. The proof of service of Notice of Hearing filed on March 27, 2026 indicates that a "Report of Status of Administration No. 2" was filed, but the actual document filed is not titled the same. New proof of service of Notice of Hearing indicating the Status Report was amended and the date of filing of the amended document is needed.</i> <i>3. A proposed order is needed.</i>
