26-PRO-00390	Estate of Armando Madrigal Barajas, JR	NOTICE OF MOTION AND MOTION TO CONSOLIDATE PETITION FOR PROBATE OF WILL AND FOR LETTERS OF ADMINISTRATION WITH WILL ANNEXED OF THE ESTATE OF ARMANDO MADRIGAL BARAJAS, JR. AND PETITION FOR LETTERS OF ADMINISTRATION OF THE ESTATE OF DENISE ALESSANDRA MADR

Tentative Ruling:

NO APPEARANCE

Motion to Consolidate is DENIED. There is no good cause for this request, and consolidating two separate estate administration matters in a single case would cause unnecessary complications and confusion. To say that the decedents died in the same incident, which is offered perhaps as a reason for consolidation, is interesting, in light of the fact that they died a few days apart,

Tentative Ruling:

APPEARANCE OPTIONAL

The Court has read the pleadings filed following the last appearance. The Court's position has not changed. Contrary to the suggestion in Mr. Shjeflo's reply filed 8/27/26, the Court did in fact read *"Attachment 3a(1), 3c, and 3g(3)" of the Amended Petition, starting at page 2 of the attachment.* It is not the declaration of Steven Zarubin which establishes that San Mateo County is the proper venue, but rather some admissible evidence by way of any declaration by the decedent which would establish he was domiciled in San Mateo County. Steven Zarubin's declaration contains inadmissible hearsay attributed to the decedent and then Steven Zarubin's belief concerning his father's intent. To repeat the tentative ruling of July 13, 2026, the Amended Petition, while it lists an address of property which the decedent potentially owned in San Mateo County, does not contain any additional facts or admissible evidence supporting the allegation that he was "domiciled" in San Mateo County. The decedent had been living in an assisted living facility in El Dorado County, and had lived in that county since February 2022. The Court continued this matter previously for petitioner to provide evidence establishing decedent's "intent to return" to San Mateo County, but no further evidence has been provided. Petitioner's recitation of applicable law on the issue is accurate, but doesn't not tip the Court's decision in his favor. There is no evidence, by way of act or declaration, that Decedent intended to return to San Mateo County. He moved to the county where his daughter resided, and then moved into an assisted living facility. As such,
