6	24CV431474	Wells Fargo Bank, N.A. vs Leoncio Crisostomo	Wells Fargo Bank, N.A.'s ("Wells Fargo") motion for summary judgment is GRANTED. A notice of motion with this hearing date and time was served on Defendant by mail. Defendant failed to file an opposition. "[T]he failure to file an opposition creates an inference that the motion [] is meritorious." (<i>Sexton v. Super Ct.</i> (1997) 58 Cal.App.4th 1403, 1410.) The undisputed evidence demonstrates Defendant opened a credit card account with Wells Fargo, Defendant made charged on the account, and Defendant has not made any further payments on the account since December 2, 2022. As a result of this unpaid balance, there is no dispute that Defendant now owes \$9,070.19. Accordingly, Wells Fargo's motion for summary judgment is GRANTED. Court will prepare formal order and use form of judgment on file. The April 7, 2025 trial is VACATED.
