GUARDIANSHIP OF DUSTIN LINCOLN

Case Number: 25PG-0032810

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person of Minor, Dustin Lincoln. The Petition was filed by the minor's maternal aunt, Lisa Kern. Letters of Temporary Guardianship issued on February 14, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

The mother, maternal grandmother, and minor have all consented and waived notice. The Court previously dispensed with notice to the deceased father. The paternal grandparents were timely served for a prior hearing date. Proper proof of service has now been filed for the maternal grandfather and siblings. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Court Investigator's report filed March 5, 2025, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardian's discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, June 8, 2026, at 8:30am in Department 42**. **No appearance is necessary on today's calendar.**

This matter is on calendar for the Second Account and Report of Guardian. The matter has been properly noticed, with proof of service on file. No objections have been raised. The Second Account indicates that the Guardian received a reimbursement from the estate of \$7,500 for house painting on October 1, 2022; however, the First Accounting filed February 22, 2023, indicated that Craig Miller Painting was paid the same amount (\$5,000 on March 29, 2022, and \$2,500 on May 31, 2022). A supplemental declaration must be filed evidencing that the \$7,500 paid to the Guardian as reimbursement was for different painting services than the \$7,500 paid to Craig Miller Painting. This matter is continued to **Monday, July 14, 2025, at 2:30 p.m. in Department 42** for further proceedings on the Amended Second Account and Report. **No appearance is necessary on today's calendar.**
