Case Number: 24PG-0032757

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person of minor Aiden Drew. The Petition was filed by the minor's paternal grandparents Dan and Beverly Rajnus. Letters of Temporary Guardianship have not issued.

The mother and father have consented and waived notice. A Notice of Hearing was filed for the maternal grandfather and sibling Kieyanna, however, Item 5 was not checked indicating that the Petition was served with the Notice of Hearing. The Petition must be served with the Notice of Hearing. The maternal grandfather and sibling Kieyanna must be properly served and can be served by mail. The minor must be personally served or consent and waive notice. Service must be made no later than fifteen days prior to the continued hearing date. The Court will dispense with notice to the deceased maternal grandmother.

The Court has reviewed the Court Investigator's report filed January 17, 2025 which recommends granting the Petition. The Court Investigator reports that there are confidential proceedings pending in the state of Oregon, however, the Court notes there has been no communication from the Court in Oregon. It is not clear to this Court whether an order was made pursuant to ORS 419C.446(1) placing the minor with his paternal grandparents or it was informally decided that the minor should reside with his paternal grandparents. The Court Investigator is directed to contact the Court in Oregon to determine the status of the confidential proceedings and whether any orders have been made with respect to placement of the minor. As the minor moved here from out of state and there are confidential proceedings pending in Oregon, the Court must determine if this Court has jurisdiction to grant a Guardianship of the minor.

The Court notes that the ICWA-010(A) is incomplete. A completed ICWA-010(A) form must be filed. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

Petitioners are ordered to file and serve a new Notice of Hearing, along with a copy of the Petition, for the continued hearing date on the parties identified above. In the alternative, if Petitioners cannot serve the parties identified above, the Court will require a declaration explaining why they cannot be served and the efforts of Petitioners to locate and serve the parties identified, in order to permit the Court to dispense with notice to the parties. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**
