ESTATE OF HAROLD BLANKENHEIM

Case Number: 25PB-0032863

This matter is on calendar for hearing on a Petition to Determine Succession to Real Property. The Petition contains the following defects:

1. The Petition fails to identify the subject property as the primary residence of the Decedent. The death certificate does not identify this real property as the decedent's residence on the date of death. Probate Code § 13151 was amended effective January 1, 2025. As of that date, this procedure can only be used to transfer an interest in the decedent's primary residence. Judicial Council form DE-310 was updated April 28, 2025, to reflect these changes.
2. Item 3 of the attached will states, "If my wife survives me for one hundred twenty (120) days, I give all of my property and estate to her." While the Petition states that decedent was not survived by a spouse, the death certificate attached to the Petition indicates that decedent was survived by a spouse. A supplemental declaration must be filed providing the Court with the spouse's date of death to determine whether the property should pass to Petitioners or to the personal representative of the estate of Shirley Blankenheim.
3. Attachment 11 fails to identify the decedent's interest in the property.
4. The Inventory and Appraisal does not contain original signatures regarding the Statement About the Bond or Probate Referee and fails to comply with California Rule of Court 2.303 and Local rule 15.19 to qualify as a "fax filing."
5. The Inventory and Appraisal incorrectly states under item 4 that no probate referee is required; however, there is property included subject to appraisal by referee. Page 2 indicates a probate referee was used, thus the defect can be overlooked.
6. A proposed order has not been lodged with the court, as required by Local Rule 15.06.

Due to the defects Court cannot determine if proper notice has been given. This matter is continued to **Monday, July 14, 2025, at 2:30 p.m. in Department 44** for further proceedings on the Petition. An Amended Petition must be filed correcting the defects on the updated Petition form. Notice of Hearing must be timely served on all individuals entitled to notice. **No appearance is necessary on today's calendar.**
