ESTATE OF MICHAEL GEORGE

Case Number: 24PB-0032619

This matter is on calendar for hearing on the Final Report and Petition for Final Distribution on waiver of account. An Irrevocable Assignment of Beneficial Interest was filed December 4, 2025, assigning all of Christina George's interest in the estate to Lom M. and Deena C. Tatom, Trustees of the Tatom 2001 Trust. The Petition for Final Distribution fails to account for this assignment and improperly distributes the whole of the estate to Christina George. As such, the Waiver of Accounting filed March 18, 2025, by Ms. George is without effect. The personal representative is not required to account if all persons entitled to distribution execute and file a written waiver, or a written acknowledgement that their interest in the estate has been satisfied, or if the personal representative demonstrates that adequate provision has been made for the satisfaction of that person's interest. Probate Code 10954(a). Lom M. and Deena C. Tatom are entitled to distribution, have not executed a written waiver filed with the Court, and the Petition does state provisions for the satisfaction of their interest. Further, the matter has not been properly noticed. Due to the assignment, Lom M. and Deena C. Tatom are entitled to notice. This matter is continued to **Monday, June 2, 2025, at 2:30 p.m. in Department 44** for further proceedings on the Final Report and Petition for Final Distribution. Petitioner is ordered to file an Amended Petition accounting for the assignment. Petitioner shall also file and timely serve a Notice of Hearing for the continued hearing date. The court notes that the proposed order does not include any distribution provision. **No appearance is necessary on today's calendar.**
