ESTATE OF MARILYN SPRINGER

Case Number: 25PB-0032862

This matter is on calendar for hearing on a Petition to Determine Succession to Real Property. The matter has been properly noticed with proof of service on file. No objections have been raised. The Petition contains the following defects:

6. The Petition fails to identify the subject property as the primary residence of the Decedent. Probate Code § 13151 was amended effective January 1, 2025. As of that date, this procedure can only be used to transfer an interest in the decedent's primary residence. Consequently, the court needs information to establish that the real property was the decedent's primary residence. Judicial Council form DE-310 was updated April 28, 2025, to reflect these changes.
7. The attached Inventory and Appraisal is defective, as it does not contain an original signature under the Statement About the Bond and for the Probate Referee and fails to comply with California Rule of Court 2.303 and Local rule 15.19 to qualify as a "fax filing."
8. Item 11 fails to identify the decedent's interest in the property.
9. Attachment 14 fails to identify the relationships of the individuals to the Decedent.
10. A proposed order has not been lodged with the court, as required by Local Rule 15.06.

This matter is continued to **Monday, July 14, 2025, at 2:30 p.m. in Department 44** for further proceedings on the Petition. Petitioner shall file an Amended Petition curing the defects noted above on the updated Petition form. Petitioner shall also file and timely serve a new Notice of Hearing for the continued hearing date. **No appearance is necessary on today's calendar.**

This matter is continued to **Monday, August 4, 2025, at 2:30 p.m. in Department 44** for confirmation of filing of the Inventory and Appraisal. If a Final Inventory and Appraisal cannot be filed prior to the continued hearing date, the Court **ORDERS** a Status Report be filed and served no later than five court days before the next hearing date to advise what must be accomplished before the Final Inventory and Appraisal can be filed. Failure to file either the Final Inventory and Appraisal or the Status Report may result in the issuance of an Order to Show Cause Re Monetary Sanctions of \$250.00 for failure to timely file the Inventory and

TRUSTS

IN RE: BETTY RUTHERFORD TRUST

Case Number: 25PB-0032907

This matter is on calendar for hearing on the Petition for Confirmation of Assets. The matter has been properly noticed with proof of service on file. No objections have been raised. The Petition fails to establish that the Trustor intended to hold the subject property in Trust. The basis for the Petition is that, because the Trustor executed a pour-over will, she had a present intent to hold the subject property in the name of the Trust. A pour-over will indicates an intent that any property not held in Trust at time of death be devised to the Trust after death. A pour-over will does not support a present intent to hold the subject property in the name of the Trust during the decedent's lifetime. No other evidence was provided to show the decedent had a present intent to hold the subject property in Trust while she was living. The Petition is **DENIED** without prejudice. The clerk is instructed to close the file. **No appearance is necessary on today's calendar.**

IN RE THE SHADWELL 1997 TRUST

Case Number: CVPB11-0026890

This matter is on calendar for hearing on a Petition for Approval of Thirteenth and Final Account and Report of Trustee. The matter has been properly noticed, with proof of service on file. No objections have been raised. The accounting contains the following defects:

1. The accounting is incomplete as it purports to cover the period beginning July 18, 2023, and ending August 31, 2024. No summary of account is attached for the period of May 13, 2024, to August 31, 2024.
2. There is an error in the calculation of Total Charges for the period of May 13, 2024, through August 31, 2024. The Total Charges add up to \$14,588.40, not \$14,488.40.
3. The Court notes that the property on hand as of May 12, 2024, was cash in the amount of \$1,146.86 and non-cash assets valued at \$204,735.33. As of May 13, 2024, one day later, the accounting indicates that property on hand only consisted of cash in the amount of \$2,614.14. Nothing in the accounting explains what happened to over \$200,000.00 in non-cash assets. The lodged account statements from Morgan Stanley indicate that the assets may have been omitted from the accounting in error.

The matter is continued to **Monday, July 21, 2025, at 2:30pm in Department 44** for further proceedings on the Petition. An Amended Petition must be filed curing the defects noted above. Petitioner shall also timely file and serve a new Notice of Hearing for the continued hearing date. **No appearance is necessary on today's calendar.**
