3	21PR-0377	Estate of: Shirley Miller	Petition Filed 6/9/2025 - Final Distribution and Waiver of Accounting; cont'd 11/25/25, 6/23/26 [DUE 9/1/26]	HEARING LIST: <i>Zoom or personal appearance is required. The Declaration filed August 31, 2026 has been reviewed. The following issues remain from the last hearing:</i> 1. <i>It appears that the Inventory and Appraisal filed on 6/17/24 listed \$201,187.60 in Item 2, but those items were not appraised as treasury notes. Rather, it appears Petitioner liquidated these assets after the date of death during the administration and listed the net proceeds, with income earned. The 26 page May Supplement provided advises the notes were valued at around \$200,000 at death with \$18,375.10 in interest accrued. Taxes were paid on the sale, but that is not part of the appraisal value. As such, were the notes sold for \$200,000 and who appraised the value at \$200,000? The taxes should have been listed as disbursements and the interest accrued would be a receipt. Revision is needed.</i> 2. <i>Clarification is needed on the Inventory and Appraisals as none of them comply in full with the Probate Code. It is still unclear what the assets of the estate were on the date of death due to the errors.</i> a. <i>June 23, 2023- The Inventory and Appraisal filed on 6/23/23 for \$1,009,075.75 is listed as a "FINAL" Inventory and Appraisal on the</i>

				<i>actual document but is listed as an amended corrected Final in the Petition. The <u>May 22, 2026 Supplemental Declaration</u> indicates this was the “Value after the date of death”.</i> <i>b. January 23, 2024- The 1/23/24 Inventory and Appraisal is listed as a Supplement on the actual document and in the Petition, but it appears to be correcting or modifying the 6/23/23 document by reappraising assets. <u>The May 22, 2026 Supplemental Declaration indicates this was the “value on the date of death”.</u> It appears this Inventory is the Amended Inventory and the June 23, 2023 document is superseded by this document.</i> <i>c. June 6, 2024- The 6/17/24 Inventory is listed as a Supplement and is the first time the treasury note proceeds are listed. <u>The May 22, 206 Supplemental Declaration indicates this is the supplement to the “amended Final I&A”, which appears to be the January 23, 2024 document.</u></i> <i>d. May 22, 2026- The 5/22/26 Inventory is an “Amended” Final Inventory, apparently superseding all three prior documents. Nevertheless, it fails to list out the bank accounts and lumps them all into one “Bank” category. It also continues the treasury note error. This document, as the “Amended Final</i>
